

# SUMMER HOUSES ARE BROKEN INTO

Summer cottages at Golden Grove belonging to Joseph Wood and H. Cox have been broken into and County Policeman H. A. Short was out last night endeavoring to catch the guilty person. He examined the premises during the day time and found that apparently nothing had been taken, but it was quite evident that someone had been staying in them for a time at least. He hoped that he might surprise the unwelcome guest if he entered the cottages last night.

# DEFERS ACTION ON GOVERNORS' CHOICE

A resolution of deep sympathy was extended to the relatives of the late Senator W. H. Thorne by the executive committee of the Fredericton diocesan synod in session yesterday afternoon in the Church of England Institute. Senator Thorne was a generous benefactor and loyal member of the church who his death is regarded by the synod as a great loss. The meeting of the executive concluded the quarterly meetings of the synod committee. His Lordship, Bishop Richardson, presided throughout the meetings which were held yesterday morning and afternoon. Routine matters were dealt with chiefly at the morning committee meetings.

The executive discussed the matter of the selection of governors for King's College under its new administration as part of Dalhousie University. Action in this regard was deferred. Arrangements in connection with the annual meeting of the diocese were considered and it was decided that the general session of the synod should convene in Fredericton on May 6. The reports of all the standing committees were presented at the executive meeting.

# DIOCESAN CONVENTION COMING

The annual meeting of the diocesan branch of the Catholic Women's League will be held in Moncton on Saturday. Mrs. D. P. Chisholm, the diocesan president, Mrs. John E. Owens, president of the St. John sub-division, and Miss M. H. McCloskey, president of the St. John North sub-division, will be among those from St. John who will attend the diocesan meeting. Mrs. James McMurray, the diocesan corresponding secretary, will also attend. It is possible that there will be at least six other members of both of the city divisions in attendance as well as the diocesan officers who reside in St. John.

# HOLD RUMMAGE SALE

Mrs. Frank Skinner and Mrs. H. A. McKeown were convener of the rummage sale held yesterday afternoon in the Centenary hall under the auspices of the Ladies' Aid of the church. The aid was gratified with their success. A large committee of ladies assisted in selling and wrapping the parcels. Mrs. C. F. A. Anderson, Mrs. George Jenkins, officers of the aid, were among those at the hall who helped to prepare for the patrons who arrived long before opening time.

Speed up your work on the shoes with a real chassis

If you want to swing into your work with a real zest; if you want to get genuine satisfaction out of your fight for success—then you must give your feet a chance to do what Nature intended them to do. Of course you know the outer side of the bottom of your foot from heel to ball is a finely built weight-carrying structure. Give it a proper foundation so it can do its work without strain and your feet will put joy into the brisk walk, and enable you to "stand and wait" patiently.

The Arch Preserver Shoe, with its real "chassis," provides such a foundation—keeps your feet vigorous and eager to help you. Not the slightest little ache or pain, not even a touch of discomfort, no matter if you have to walk clear across the town. The concealed, built-in anchored bridge gives the needed support, yet there is no stiffness. The Arch Preserver Shoe bends freely at the ball, the only place your foot bends.

Health, vigor and "go"—yet the Arch Preserver Shoe is made in the smartest styles, and of the finest leathers. You simply can't get such advantages in any other shoe.

Send for booklet, "A Man and His Feet"

# NEW BRUNSWICKER DIES IN AUSTRALIA

The death of John Pender, a former resident of New Brunswick and a brother of the late James Pender, occurred on Sept. 14 in Melbourne, Australia. Many friends will learn of his passing with deep regret. Mr. Pender was born in Petersville, Queen's county, and in his early days was associated with his brother, James Pender, in the mill works in St. John. He afterwards removed to Melbourne, where he engaged in the same business. For more than 40 years he was successfully engaged in the manufacture of horseshoe nails and later horseshoes in Australia. At the Technological Museum in Melbourne one of the prized treasures is the first motor car brought out from St. John by Mr. Pender. It was imported and later presented by him to the museum. He was 68 years of age when he died. Three sisters survive, Mrs. Tyler Thompson, of Melbourne, Mrs. Murray Pender, of England, New Zealand, and Miss Adelaide, of Boston.

Goods delivered all over City, Carleton Place, Fairville.

Efficiency is the Watchword of Today

If you are losing energy, thrice-strained—if you are handicapped by faulty vision—you are inefficient to an extent. You must accordingly fall short of the measure of happiness and success to which you are entitled.

Make up your mind now, that nothing shall cause you to neglect the most precious of the senses—EYE STRAIN.
