tion. Among its titled members there is  
not a single man who is engaged in the  
trade and who would not know the differ-  
ence between store cattle and fat cattle.  
The chairman is a lawyer.  
The Irish agriculturist department is  
out with a pamphlet dead against the  
concession. It contends that it would  
not result in the cheapening of meat to  
the consumer, but by ultimate reaction  
would have, as one result, a shrinkage  
in home cattle-breeding.

It is to be presumed that in some way  
the interests of Canada will be repre-  
sented before the commission, but as yet  
no announcement of this kind has been  
made. The result is a foregone conclu-  
sion. In the face of an impending elec-  
tion the government could not afford to  
antagonize the cattle and dairy interests  
of the United Kingdom and it is quite  
evident they are taking no chances.

## THREE STYLES

## FOOTWEAR

## BRIGHT NEW

## For the Ladies, at Actual Manufacturing Cost, Plus

## the 3 Per Cent. the Government Takes

St. John, N. B., May 12, 1921.

To Our Customers:  
The new tax imposed by the government as a sales tax  
that the manufacturer must charge the retailers is three per  
cent. This means that when we buy a line of boots from the  
factory for \$5.00 we really pay \$5.15 for them. The \$5.00  
goes to the manufacturer, the fifteen cents to the government.  
These boots come invoiced to us like this:

PERCY J. STEEL,  
ST. JOHN, N. B.  
TO BETTER FOOTWEAR MANUFACTURERS  
MONTREAL, DR.

Sample No. Quantity. Description. Price Total.  
A886 60 Ladies' Calf Oxfords. \$5.00 \$300  
Government Sales Tax 3 p. c. 9  
\$309

Now I am offering three lines of bright new Footwear  
to our customers at actual manufacturer's cost plus the gov-  
ernment tax, so it will pay you to visit my store this week.  
My store is a nice place to do your Footwear buying. It pays  
you.
