lent in working." We esteem it a very gracious token of the Divine approbation, that while the brethren there, and the friends to that Mission generally, might feel dismayed by this intelligence, we have the refreshing news that one

Burman is hopefully converted to God.

unconta,

You will learn from our minutes that the Lord has graciously revived his work in several of our Churches, and granted them confiderable additions. The Lord has been evidently prefent, by divine influence, and made our Affociation a feafon of refreshing. God grant that when we have done corresponding and meeting on earth, we may all meet in Heaven, to sing the praises of "Him that loved us, and washed us from our sins in his own blood."

Signed in behalf of the Affociation,

and the refreshing visits of your Messengers,
After this year, briefland throat fer view of the mercy
or cod to us, what interpresent of bedray, a Surit on
rearts should glow with anders have and grantede to him
to "firstloved us." It sught to be our stude to "alony
him in our hodies and in our spirits, which are his." I beloves as to pity and may for those who are side in that depresente state, our of which we have been taken, and to
conclude state, our of which we have been taken, and to
conclude that chors for the salvation of their souls, by
the course though the "glorious gospel," to the extent of
our abilities.

Werejoice in the landable endespirited exemines intaking to our brethren, for the adjointement of the Redeemer's kingdom, both in Christian and in Reather lands. We desire to follow their example, by sending the word of life to the destitute in these Provinces. We learn, with grief, that a number of our ministering brethren in the United states have been lately removed in death; as also brother wheelock, who had gone to preach to the benighted Burnans. His discease appears indeed than so per the know that even "this also cometh fouth from the Lord of hosts, who is wonderful in counsel and excel-
