Revised Lists Show Few Changes in the Standing.

Victoria Minister Lost Seat by Narrow Majority of Five to G. H. Barnard-Loss of Caldwell's Seat in North Lanark Is Counterbalanced by McCool's Victory In Nipissing-Macdonald In N.S.

Toronto, Oct. 28.—The aftermath of the election reveals few changes. There are still several ridings in which the official returns when completed may alter the figures, but, according to the latest returns, the majority for the Liberal Government still stands at 50.

In North Langer, it was at first

still stands at 50.

In North Lanark it was at first thought that Mr. T. B. Caldwell had succeeded in retaining the seat for the Liberals, but this anticipation was not borne out by the official returns, and last night the riding was conceded to his opponent, Mr. W. Thoburn, though only by a bare majority. ority.
This change was counterbalanced,

This change was counterbalanced, however, by the election for Nipissing of Mr. C. A. McCool, who in the earlier reports was stated to have been defeated by the Conservative candidate, Mr. G. Gordon.

So far, therefore, the position of the parties in Ontario remains as at first announced, namely: Conservatives, 47; Liberals 39, though there

HON. R. W. SCOTT. He May Become Speaker of Senate.

he May Become Speaker of Senate. is an unconfirmed rumor that Mr. W. R. Smythe has, after all, ousted Mr. A. E. Dyment from East Algoma. In Nova Scotia the Conservatives have to be content with six out of the eighteen seats, Mr. E. M. Macdonald, the brilliant young Liberal lawyer of Pictou, winning out against his redoubtable opponent, Mr. C. E. Tanner, who was yesterday credited with the victory.

Two changes in the first list of returns are reported from British Columbia. After a stiff fight, Hon, W. Templeman has gone down in Victoria; Mr. G. H. Barnard, the Conservative candidate, with a majority of five, making the only breach in the ranks of the Cabinet, but there is consolation for Liberals in the fact that Mr. Ralph Smith has retained his seat by a substantial majority in Nanaimo.

Though the Manitoba returns are still somewhat doubtful in one or two instances, they point to a gain of another seat by the Conservatives, later despatches conceding the defeat of Mr. S. J. Jackson in Selkirk.

It is not at all improbable that the Speakership of the Senate will be given, when Parliament assembles, to Hon, R. W. Scott, the late Secretary of State.

The Senate elects an English and a French-speaking Senator, turn about. Two changes in the first list of re-Sutherland. Schell

Toronto, Oct. 28,—There will be a protest in Centre Toronto if the state ment given last evening are adhered

T. C. Robinette, the defeated Lib eral candidate, said last night:

"The election in Centre Toronto will certainly be protested. Mr. Phalen will look after the legal proceedings. He has been making them all day. Already we have evidence of money being paid for votes."

Mr. Phalen said: "All that I care to say at present is that we have definite information that things were done in connection with Mr. Bristol's election which were irregular."

A Renfrew despatch says that Montreal detectives were in the riding for the last two weeks on behalf of McGarry, the Conservative candidate, and that they have evidence that bribery took place. The election of A, B. McCoig, Liberal in West Kent may be protested on the ground that there were glaring irregularities. Bribery, impersonations and other corrupt methods are charged. Conservative workers say that as high as \$12 was paid for votes in Chatham and that many "doubtuls" received large bribes to stay away from the polls. Dozens of drunken men, parading the streets, they declare, openly boasted that they had received high prices for their votes. votes

RECEPTION TO LAURIER.

Premier Is Given Torchlight Procession In Ottawa.

Premier Is Given Torchlight Procession In Ottawa.

Ottawa, Oct. 28.—Although it was not made known until late in the afternoon that Sir Wilfrid Laurier was to reach the city last night it looked on the streets and at the station as though the whole city had turned out to do him honor, when the Prime Minister's car backed into the Union station shortly before midnight.

There were hundreds of broom torches, an abundance of pyrotechnics and three bands of music, one of them Scotch and another French-Canadian. The procession traveled, most of it afoot, from the Union depot for more than two miles to Sir Wilfrid's residence on Sandy Hill.

Sir Wilfrid had planned for himself and for Lady Laurier a quiet homecoming and had seemingly chosen a late train for that purpose.

Among those in the procession were Hon. L. P. Brodeur, Hon. Chas. Murphy, H. B. McCiverin, M.P., E. B. Devlin, M.P., and Senator Belcourts.

London Press Views.

London, Oct. 28.—(C. A. P.)—The Chronicle says Laurier's personal popularity and eloquence and his own high character carried him to the front. The existing preference ought now to be retained, not as bargain demanding a quid pro quo, but "out of gratitude."

The News says the tariff craze is killed and Canada responded to its grand old man's appeal for a chance to "finish his work."

The Morning Post says that at the next Imperial—Conference, Canada will be represented by a Government averse from taking any step towards closer union except along the path of co-operation in commerce.

Roosevelt Has Birthday.
Washington, Oct. 28.—President
Roosevelt observed his 50th anniversary yesterday very simply. He attended to his executive duties as usual, and, except for the reception of
a delegation from the Hungarian Republican Club of New York, in the
east room of the White House, and
the receipt of a large number of congratulatory messages, some floral tributes and gifts from the members of
his family, the day was the same to
him as any other day.

King Edward of Great Britain sent
one of the first of the congratulatory
messages received.

New York, Oct. 23.—Accusing a man whom she had frequently met socially of having bound, gagged, beaten and robbed her of \$800 in jew-elry and \$50 in cash, Mrs. Anna B. Plough, widow of a former president of the St. Paul & Duluth Railroad Co., caused the arrest of Elmer M. Swallow, a public weigher.

She said the robbery occurred in her home in Brooklyn last Friday night, only a few hours after she had been playing cards with Swallow.

Spittal Vindicated.

Ottawa, Oct. 28.—The council of the National Rifle Association of England have now endorsed the Spittal position of firing at the ranges, and have written expressing regrets that Lieut. Spittal should have been interfered with at a critical period in his Bsley shooting by the range officer. The letter of the secretary of the N.R.A. states that there is nothing laid down in the Bisley regulations against such a position as that assumed by Spittal.
