New Rotary Power Job Press.

We have added to the Standard Office an "Alden New rotary power Job Press," and having tested its merits, prenounce it a No. 1 machine, capable of throwing off upwards of a thousand sheets an hour. With an addition of fancy type, we are prepared to execute with neatness and despatch, orders for blanks, bill are in excellent condition. It is cheering beads, envelopes, cards and other printing, and to know that the crops in Ireland, where solicit a share of public patronage.

VISITORS TO ST. ANDREWS and travellers gen erally, will be pleased to know that Mr. ANORS KENNEDV has opened the building formerly called the "International," on Water Street, apposite the Manchester House. The hotel has beer newly painted and papered, and harge ell eracted, which affords increased ac-commodation. As usual, this house is supplied with the best from Provincial and United States markets. The popular character of KENNEDV's HOTEL will be maintained: and the genial disposition of its proprietor, will render genial disposition of its proprietor, will render his house as deserving of gatronage as hereto-fore, as he spares noither pains no expense to accommodate his guests. my21-Jy.

SAINT ANDREWS. JUNE 10, 1880.

THE CROPS .- How gratifying it is, to learn from British, Canadian, and United States journals, that the growing crops a larger area of land has been sown and

planted than formerly, give promise of an abundant yield. The outlook from Manitoba and North West, is favorable on Water Street, In the Maritime Provinces also most pleasing reports are received of crop prospects. Such good news, is satisfactory to every one, as it gives promise of cheap food, and of prosperous times-a consum-

> GRAND SOUTHERN RAILWAY .-- It is reported, that several eminent lawyers, agree in the opinion that, notwithstanding the refusal of the Legislature to renew the charter of the Grand Southern Railroad the contract made by the Government with ance for transport is limited to 75 miles, that company, remains in full force and St. Andrews would undoubtedly have

> effect, time not being an element of that contract. It is also said the Government men of all corps are loud in their praises will pay the subsidy as heretofore, having agreed with the company that the contract It is shoped that next year there will be the foregoing is correct, an extension of coming amongst us for their annual drill.

the charter was not necessary; and the long and bitter discussions in the legislature last session might have been avoided. The contract for ballasting and laving the track on this railway, was awarded to Messrs. McCabe, Powell & Co. The work is to be commenced immediately, and it is intended to open the road before winter

AWFUL ACCIDENT. Collision of Steamers, and Loss of
