STOLEN MONEY FOUND BY BOY

DISCOVERED IN RAVINE AT NEW WESTMINSTER

Lad Says He Gave Money to Bazik, Who is Now in Custody

Vancouver, Nov. 6.—A remarkable story told by George Lavary, an eleven-year-old newsboy of New Westminster, has raised some doubt in police circles as to whether John Bozick, now under arrest, really had any connection with the robbery of the Bank of Montreal at Westminster.

The boy's story as told by him to Manager Brynner of the Bank of Montreal, is as follows: On the day after the robbery the lad's father, Eugene Lavary, planned to go to Seattle and the boy, knowing his father would be absent, decided to play truant. He knew of an ideal place—the ravine—and there he went.

On his way he met Bozick, whom he knew as a seller of papers in the city, and told him of his find. Bozick took the boy to his room and collected him of the money. He gave the lad \$4, making him promise not to say anything of his find.

The ravine which is thirty feet deep under the bridge, is an ideal place for the concealment of stolen property. Then he told the story of his find to his father and the father made him repeat it to the bank manager.
