tion what he feels able to pay?"

The stranger did so, adding:

me another nod. said :

quite putting it out of countenance by their superior height and appearance.
Grandfather built it when the place was new, and he a young man, and when all that brick and mortar were verdant fields and well-kept gardens, dotted here and there by houses as low and modest as his own. He owned a large farm, and was considered a wealthy man for those days; but acre after acre had been sold, until nothing was left except the house in which my father had been born, and which was the only inheritance of his children: But we made with books. We were not long in finding out that our lodger was very odd, the most of it, Margie and I, as you

I hardly think we should have dared to do such a thing while father lived, me to substitute a patchwork quilt for who would have considered it a sort of sacrilege; but soon after his death we spent a whole day rummaging auction turned the front part of the house into a shop, with show-windows which open- to take the place of the pretty muslin ed out upon the street, in which to discurtains on which I had spent so much play the articles we kept for sale.

This was a matter of necessity rather | for him from the sitting-room, but spythan choice, it being all that I could do at home; and I could not leave Margie. Poor Margie was a cripple ; she had refather, he asked me to exchange with ceived a fall when only four years old, him, which I was very glad to do. Not and had never walked since. She had long after, a chest of drawers, that was been a great care to me for many a year, my grandfather's, found its way back to but never a burden. She was so thoughtful, patient and cheerful that in | brass-mounted mirror that always hung the event of our separation, I think I over it. So that, at last, the room should have missed her quite as much looked very much as it did before we reas she would me. She was very useful, arranged it with so much care and labor too: lying all day on the lounge in our little sitting-room, her hands were never but so long as it suited its present idle, crocheting tidies, mats, mittens, occupant, we did not mind, and it and edging, and doing various kinds of seemed to suit him completely. He occupant, we did not mind, and it fancy-work, for which I found sale in spent much of his time reading. No the shop, and though the price asked one called to see him, or wrote to him, was only moderately in excess of the though he received quantities of papers cost of material, it helped us not a and magazines.

Margie kept all the accounts, too that we invite him to take tea with us having a clearer head than I, and a one day, when we had some unusal knowledge, or rather intuition, of chardelicacy-early strawberries, I think. acter that was wonderful, considering how secluded her life had of necessity said my gentle-hearted sister. been. I never thought of taking any haps he dosen't have enough to eat? step without consulting Margie.

He spoke about being poor, you know." We two lived very quietly, having After this, he dropped in, occasionally, few acquaintances, and no near relative or friend—except John. John was my evenings, bringing some new magazine or paper, and reading to us as we sat at lover, and no girl ever had one more work. Finally, it became an establishkind and true. He was poor in worlded custom with him to take tea with us ly goods, but oh! so rich in goodness twice, and sometimes three times a manly worth. He might have week; frequently inviting seemed plain to those who knew him not-I cannot tell how he looked to by the advent of the market boy with a other eyes but there was more than liberal supply of provisions all of the beauty, to me, in that frank, honest best qualtity. face, and in the big, brown hands that This troubled Margie's tender con

floor with a neat carpet, the bed and thee ought to do better, Ruth" he rewindows were draped with white, some sumed, when I paused for want of pretty prints hung upon the wall; and breath. "Not but what John is good, whole I was very well satisfied but he is poor. I've heard that thee with the result of our labor. When all was done, John wrote a lion. What made thee do such a foolnotice: "Room to let. Inquire withing as that, child?" in." But though I placed it in the shop window, where it could be plainly seen and I do love John."

from the street, nearly three weeks passed and we had only two applications for the room, and from persons who only looked at it, and then went away. One morning, as I was dusting the counter and putting the shop to rights, were full of tears.

I saw a queer-looking, oddly-dressed old man standing in front of the window, his eyes fixed upon the notice in it, and his moving lips slowly syllabifying each word. He wore shoes with big buckles on them, and a snuff-colored coat, with short waist and long skirts, and which grandfather's. But the oddest thing about him was the long white hair which it comes back to me now that I am growing old, and the end is near."

beard of the same color which touched his breast. A broad-brimmed hat completed his quaint, Quaker-like appear-The door being ajar, before I had time to lay aside my duster, he was at

"Will thee let me look at it?" Inwardly hoping that this application would not share the fate of those that had preceded it, I led the way up stairs. To my great relief, our prospective

lodger, far from objecting to the sloping roof and old-fashioned furniture, seemed to regard them with feelings of positive interest and admiration. laid my hand gently on his. "It is like the chamber that I used He smiled as he loooked at me. to sleep in when I was a boy," he said,

as he looked around, and speaking more to himself than me. As I wanted Margie to see him before I decided. I took him down through the sitting-room where she lay. "This gentleman thinks of taking our room, sister," I said, as she glanced up

"If within my means," interposed John and I looked at each other in the stranger. "I am a poor man." Margie's clear, soft, penetrating eyes stood by my father's dying bed; was it were quietly reading the face of the apeaker. What she saw seemed satistheir faces look so strangely like? factory, for she nodded in reply to my The dying man continued :

In spite of his threadbare apparel, he Did he never speak to thee of his brother looked so thoroughly respectable that I Tom, who forsook home and country was half ashamed of the question that I because a girl, as false as fair, broke "I suppose you have references, sir?" You have both been very kind to the

stranger. I have not forgotten it, as the papers in my desk will show."

An examination of the papers alluded to not only proved that my poor uncle spoke truly, but that he died in the possession of bonds and stock to the amount of twenty thousand dollars; "to be divided equally"—so ran the few lines that comprised his will—"between his two nieces, Ruth and Margaret Gray."

Of course, John and I married. His Of course, John and I married. His
