The Possible Future. 1

BY REV. E. W. COOK, MANSFIELD.

letter recently received by the er from a youthful correspondent, tained among other and similar ex-isions, the following: "Thank God! I e more faith in His love than to its of an endless Hell." The reply as follows:

ked in Freeching the conclusion are reas. rhaps, for one thing, you may to on unch overlooked the relation to us as Moral Governor; and havi-to to as Moral Governor; and havi-to this only as a loving Father; s indeed poured out His loving in mfinite intensity on this world, and do only this, if men would bui in starby should in return. He hen be a God *all* smiles and ten-the on be a God *all* smiles and ten-the on be a first would built in on cacessity for the infliction of g. Jutas as matter of fact, though to tho to affict terriby, even here in this and so we have to accept the t a loving God can yet inflict terriby.

e That this matter of Law and Penalty iso have been too much oferlooked or thuking. The Law, you remem-sour Saviour gives it, is compre-thy God with all thy heart and thy bor as thyself." Now please notice his Law is 3% fundamental and far thy self." Now pleast and thy "unning for." "Saved four hours, and that's well worth "us as inclusion of the self of the self

vern all. — This is wite Way it Wonks.— The of this Inquirer tells of a Preabyterian brother lease and and who, knowing of an unworthy mem-ber of a Baptist chyclu, urged that he be nd that disciplined. The following Sunday be tes into was at the Méthodist church, where the good for general invitation was given to the Sup-good for general invitation was given to the Supand miles due to the set measured services and is not set of a number by the set of a nort likely to gear nort.
and this does that have been adder and by measured set with a number of a number by measured set with a number of "options," and this gear due of this and this gear northy and yet by my attitude set were of mind this daw, and good for the set have does on the set of a set of a distribution of the set of a set of the set

ceased to sing their tenter and ground song in the soul. For them especially are church-going habits important. Many such children habits important. Many such children have no relation to religious services ex-cept in the Sunday-achool. Even while they attend the school the devil has an immense advantage over the teacher. In some cases one hundred and sixty-seven hours each week are given to Stata, and but one hour is given to the Bible and to God. Like other children they soon get into the school they are too big" to ab: e nour is given to the Bible and to Like other children they soon get lea that they are " too big " to at-sunday-school. The leave, go out le great world, and soon all religi-ware severed. They never learned o the house offod; they acation the idea inas works of the leave, go out into the great world, and soon all religi-light the great world, and soon all religi-da ites are severed. They never learned they to the house of God; they cortainly and tikely to learn now. They have been graduated from the only religious influence they have ever been under; and they are now matriculated into the devil's school without any " conditions," and with any number of "options," but all under his training. Many of the un-churched who were unearthed during works in this oily were

Mr. John Anderson, Grassmere, Ont., writes "The Vegstable Discovery you sent me is all gone, and I am glad to say that it has greatly benefited those who have used it. One man in particular" says it has made him a new man, and he cannot say too much for its cleansing and curative qualities." - We cannot always be sure when we are most useful. Tt is not the acreage you sow...i is the multiplication which God gives the seed which makes up the harvest. You have less to do with being successful than with being faithful. Your main comfort is that in your labor you are not alone, for God, the eternal One, who guides the marches of the stars, is with you....Spurgeon. "Outsells all other blood purifiers. I hear customers say it cures when other
