## ANNIVERSARY AT CENTENARY CHURCH

Rev. Harold Tomkinson of Springfield Occupied the Pulpit Morning and Evening—Preached Able Sermons.

The anniversary services at Centenary Church yesterday were attended by large congregations. The speaker of the day was Rev. Harold Tomkinson, of Springfield, N.S., and his audiences thoroughly enjoyed the masterly presentation of the Gospel by this talented speaker.

At the morning service the Depot Battalion was in attendance and the band rendered a selection while the offering was being taken. Rev. Mr. Tomkinson's subject was: "The Strength of Unity," and he based his remarks on Ecclesiastes 4:12: "As if one prevail against him, two shall withstand him; and a threefold cord is not easily broken." He divided his subject into Brotherhood, Democracy and Fraternity, and the three essential strands in our civilization, and unless these three were given their proper place it must fail.

At the evening service Mr. Tomkinson based his remarks on Numbers 14:24: "But my servant Caleb, because he had another spirit with him, and hath followed me fully, him will I bring into the land whereto I swore." The speaker said the Gospel preached was one of many men and the Lord Jesus was the manliest man who ever walked the earth. The church today was calling for men of moral courage and clean social conscience as leaders in the perilous times just ahead. One reason for the failure of the church had been her lack of manliness in standing up for the right and the fact that church membership today meant so little in the eyes of the world. Only as she exhibited the splendid heroism and spirit of sacrifice of the men in France could she hope to appeal to the men who would soon be coming back to take up their task in the everyday affairs of life. The spirit which the church needed was that of a sixteen year old boy who had tried to enlist and was turned down; as he was leaving the recruiting hall he turned to the officer and said: "If the Germans beat you, don't blame me. This was the spirit which should possess the church. Moral cowardice was one of the greatest sins of these modern days, and if the church was to fulfill her mission in the present crisis now at hand she must have leaders of great courage.

Caleb was a man of enthusiasm and if the church was to prosper today she needed men of enthusiasm. A man was only as big as his thoughts and if he had not the enthusiasm to think big things he could never accomplish anything big. The church of God should be the most active organization on the face of the earth. Caleb had faith in a real God. The church must get this faith and hold fast to it if she would take her place in the world. The reason for so much failure in the work of the church, was that she had not really grasped this thought and God was not true to her.

Mr. Barnes is the guest of Rev. H. A. Cady, who is at White Horse. In the morning Mr. Barnes spoke at St. Jude's Church, West Side.

Rev. A. J. Pastore, of Donkton, N. B., preached yesterday morning at the Mission Church. In his sermon he pointed out that the result of the world war was the triumph of right over might, of Christianity over wrong. That it would always be the religion of Christ would ultimately triumph over all other beliefs and the whole world own Him as Lord. Mr. Pastore spoke briefly on the subject of home ownership, telling very little of the hardships of workers in the more remote parishes of the diocese, but speaking of the good results accomplished. In the evening Mr. Pastore preached at the Church of the Good Shepherd, Fairville.

Special services were held in the Ludlow Baptist church yesterday and speakers delivered excellent sermons to the large congregations.

At the morning service at ten o'clock Deacon John F. Ring conducted the service and led in prayer. At the eleven o'clock service Rev. David Hutchinson, D.D., pastor of the Main street church, delivered a powerful sermon, touching on the conditions relative to the church and the state.

R. H. Parsons conducted the Sunday school services in the afternoon and the band was reorganized under the careful superintendency of Mrs. George Brittain.

At the evening service the pastor of the church, Rev. W. Robinson, delivered an excellent sermon on the "Christian Liberty," and in the course of his remarks alluded to those possessing means to do with, and as custodians to give to any worthy cause for the good of their homes and the state. The reverend speaker contended that "if these possessing means were noble-hearted as when occasion arose to show their generosity, and when made acquainted with the various reasons for mandating their assistance pecuniarily and religiously, they were equal to the occasion and, as a proof of his contention, alluded to the patriotic calls of the state during the great war, which were listened to and answered at a short notice. Concluding he exhorted his hearers to be of that generosity and liberality of heart which were characteristic of the loyal people of this country, who had so nobly responded to the various calls when once they learned of the principles on which the demands were made.

## SPECIAL SERVICES IN TEN CHURCHES

Anglican Missionary Sunday Was Observed Yesterday—Sermons Were Heard from Visiting Missionaries Who Told of Their Work.

Yesterday was Anglican Missionary Sunday and in ten churches of that communion sermons were heard from visiting missionaries. These clergymen are in the city attending the missionary conference which opened on Thursday. Meetings have been held during the week in many different churches and from the workers in China and India interesting accounts have been heard of their work in foreign lands.

At St. John's (Stone) Church yesterday morning, Rev. Dr. Taylor, travelling student secretary for Asia, told of the wonderful development of China and the opportunities for Christianity to gain converts there. He said that the conditions of the land had changed so rapidly that business men in western lands must realize the open door of China, and think of missions more seriously than ever before. The government of the land and the customs were being changed and it is the religion of the gospel which must replace the heathen beliefs.

Dr. Taylor preached in Trinity church in the evening. He is the guest of Rev. Canon Armstrong.

Speaking on the parable of the husbandmen, and from the text, "Last of all He sent His Own Son," Rev. W. A. Earp spoke of the Saviour as the ultimate revelation of God and how the challenge comes to us from the east whether their beliefs or ours are true. With Islam it is a question of Mahomet or Christ, the crescent or the cross. In India the Hindus pray to Shiva in a spirit of fear in contrast to Jesus the Saviour, who draws men by love. Christ who was numbered with the outcast is the outcast's hope.

In the evening Rev. W. A. Earp preached at St. George's church. He is the guest of Rev. R. P. Mokim at the rectory of St. Luke's.

The congregation at St. Paul's church yesterday morning listened to a fine sermon from Rev. W. Tomalin, of the Diocese of Saskatchewan. His subject was "The Redskin," and he pointed out their splendid contribution to the war, 14,000 having enlisted to fight the battles of the Allies. Canada owes the great debt to the Redskin as they were the original inhabitants of the land and it has been taken from them. The least we could do, the preacher said, having taken away their land, was to give them a position. Mr. Tomalin told of the work being done in the West, the establishment of schools, and emphasized the responsibility of the Church of the East to wards these men. Mr. Tomalin was the preacher at the evening service at St. Mary's and is the guest of Rev. Archdeacon Croft.

Speaking before a large congregation at St. James' church last evening, Rev. J. H. Barnes, of Campbellton, described life in the North West in the grade school and told of conditions in the Yukon. He gave a general talk on the need for the religion of Jesus, especially among the dwellers in lonely places, and how the teachings of the Saviour brightened the lives of the people whose lot was cast in dreary surroundings.

Mr. Barnes is the guest of Rev. H. A. Cady, who is at White Horse. In the morning Mr. Barnes spoke at St. Jude's Church, West Side. Rev. A. J. Pastore, of Donkton, N. B., preached yesterday morning at the Mission Church. In his sermon he pointed out that the result of the world war was the triumph of right over might, of Christianity over wrong. That it would always be the religion of Christ would ultimately triumph over all other beliefs and the whole world own Him as Lord. Mr. Pastore spoke briefly on the subject of home ownership, telling very little of the hardships of workers in the more remote parishes of the diocese, but speaking of the good results accomplished. In the evening Mr. Pastore preached at the Church of the Good Shepherd, Fairville.

## THE RALLY WEEK SERVICES CLOSE

Excellent Sermons by Rev. David Hutchinson and Rev. W. R. Robinson in Ludlow Street Church.

## "How I Do Hate This Everlasting Dishwashing"

"T IS the same old thing every day, and three times a day at that. Just look at the pile of dishes and pots and pans I have to clean up. Is it any wonder that I get tired and discouraged sometimes?"

"I do not mind the cooking and baking and getting meals ready, but I certainly do detest this dish-washing drudgery. It is enough to make one tired of life. It would not be so bad for a change, but it is this monotonous, every day repeating the same work that kills."

"They say that it is monotony that causes a person to lose her mind. And I think I can understand how it is. I suppose I should be thankful that I am not at this job all day long, for that would be still worse. Just think of the girls working at machines in the big factories where they do the same thing day after day, year in and year out."

Next to mental worry and anxiety, there is nothing to be compared to monotony as a means of wearing out the nervous system.

When you begin to find your day's work monotonous and distasteful it is time to take stock of the condition of your

nerves. Ask yourself some such questions as these:

Do you sleep well? Does your head ache? Is your digestion good? Do little things worry and annoy you? Are you easily irritated? Are you started at trifling noises? Are you easily tired out and discouraged?

Your answer to these questions will give you some idea if you are in need of Dr. Chase's Nerve Food to build up the exhausted nerve cells. The regular use of this food cure for a few weeks will enable you to take an entirely different view of life and work.

It is only when the system gets run down that one gets in the way of looking on the dark side of things. With nervous energy restored to the system, you will feel again the joy of living and be anxious to accomplish the task before you, whatever it may be.

Dr. Chase's Nerve Food is proving a blessing to many thousands of women—and men, too—in this broad Dominion. It will be the same to you if you will but give it a chance. 50c a box, 6 for \$2.75, all dealers, or Edmanson, Bates & Co., Ltd., Toronto.

rendered a solo and the choir rendered special music.

It was announced last evening that the Thanksgiving offering for the year amounted to the sum of two hundred and eighty dollars.

## SHELL FACTORIES CLOSE NEXT MONTH

Allan McAvity stated on Saturday that the McAvity shell factories on the Marsh road and the smaller one in the Exhibition building would be closed down the first of the year.

With the closing down of the plants approximately one thousand employees will have to seek other work, while a weekly pay roll amounting to \$50,000 worth of copper bands on hand, and the total value of raw material and shells in stock amounts to about \$200,000. Compensation for the material will be a matter of adjustment between the government and the manufacturers.

It is the expectation to have the various manufacturing plants in the city moved out to the new buildings on the Marsh road at a later date.

## PLAN 500 MILE RACE

Indianapolis, Ind., Dec. 8.—An announcement was made here today that the sixth 500-mile race will be staged on the Indianapolis motor speedway on May 20, 1919. The purse will be \$50,000 divided ten ways, the first award being \$20,000. T. A. Myers, business manager of the speedway, is authority for the announcement today. The race will be the first on the Indianapolis speedway since 1916. Following the event that year the track was closed for the duration of the war. The 500 mile event here was in 1916.

## COUGHED, COUGHED ALL NIGHT LONG

Terribly wearing on the system is the cough that comes at night and prevents sleep. Sometimes it is a constant cough, cough that will not be quieted.

Sometimes it is a choked-up, stuffed-up feeling that makes breathing difficult, and sleep impossible. Whatever kind of a cold or cough you have, Dr. Wood's Norway Pine Syrup is the remedy you need to cure it, for the simple reason that this valuable preparation combines all the lung healing virtues of the Norway pine tree with which is combined wild cherry bark, and the soothing, healing and expectorant properties of other excellent herbs and barks.

Miss Margaret Landy, Bristol, P. E. I., writes: "I am writing to tell you the benefit I have received from Dr. Wood's Norway Pine Syrup. Last fall I took a severe cough and cold in my head. I was unable to do anything. At night I could not sleep but cough, cough, all night long. A friend advised me to use Dr. Wood's Norway Pine Syrup, and before the second bottle was used, I was entirely cured, and I have found this the best cough medicine I can buy."

Do not accept any other "pine" preparations when you ask for "Dr. Wood's." This remedy has been on the market for a quarter of a century. It is put up in a yellow wrap; three pine trees the trade mark; price 25c and 50c. Manufactured only by Dr. T. Milburn Co., Limited, Toronto, Ont.

## CONFIRMATION SERVICE HELD

Twenty-one Candidates Confirmed in Mission Church Last Evening by Bishop Richardson.

A large congregation was present at a confirmation service held in the Mission Church of St. John the Baptist, last evening. His Lordship the Bishop of Fredericton was attended by Captain Simpson as lay chaplain. The lessons and confirmation service were read by Rev. C. Follett, rector of St. George's. Rev. H. E. Bennett was also present. Twenty-one candidates were confirmed.

Bishop Richardson made a very impressive address before the sermon, referring to the absence of the Rev. J. V. Young and sympathizing with the congregation in being deprived of his services. The Bishop spoke of having received a letter which told of Mr. Young's gradual improvement. The prayers of the Cathedral congregation were joined with those of the Mission church for his return to health.

## FOUNDING OF PARISH 52ND ANNIVERSARY

Yesterday was the Feast of the Immaculate Conception in all Catholic Churches over the whole world. It was fittingly observed in all the Catholic Churches of the city by special services both morning and evening. Besides being the Feast of the Immaculate Conception in the Cathedral Parish, the day was the 52nd Anniversary of the Founding of the Parish. A Pontifical High Mass was celebrated in the Cathedral at 11:30 mass, and sermons were delivered on the occasion of the Feast were delivered at all the services. In the evening special services marked the close of the day. There were large congregations assembled at all the services.
