

Chapman Type F

Pneumatic Tank Systems

Chapman Pumps

Grinder

### The Ontario Wind Engine & Pump Company's Display

of power and water supply goods at the Canadian National Exhibition this year will surpass any previous exhibit, and will be the largest of its kind on the Toronto grounds.

LOCATED just across from the Art Building, their showing of the Chapman Engines operating on coal oil, the Chapman Well Drill at work in the hole, a completely-installed Pneumatic Pressure Tank, showing water systems for house, lawn or stable; complete stable equipment, stalls, stanchions and water basins; tanks, wood and steel; pumps, windmills, saws (stationary and portable), scales (platform and portable),

feed grinders, pump cylinders of all kinds, and fittings, will be as interesting and instructive to seekers of the best and most modern in manual husbandry, as the art exhibit is to lovers of the beautiful in pictures. Write to-day for our free catalogue. Prepare yourself to see a practical demonstration of the machinery therein listed in which you are interested, and learn more about our goods that you are now using.

Chapman Type C

## The Call of the North

Do you know of the many advantages that New Ontario, with its millions of fertile acres, offers to the prospective settler? Do you know that these rich agricultural lands, obtainable free, and at a nominal cost, are already producing grain and vegetables second to none in the world.

For literature descriptive of this great territory, and for information as to terms, homestead regulations, settlers' rates, etc., write to
