**DALHOUSIE UNIVERSITY
 GOVERNORS' AWARDS**

In 1992, to mark the 125th anniversary of the founding of the Dalhousie Student Union, and to recognize students' contribution to the quality and vitality of the University, the Board of Governors established a set of awards to be known as Governors' Awards.

Up to three awards can be made each year, for the exceptional contributions or leadership in the extracurricular realm in such areas as university governance, development of a sense of community on campus, community service, internationalizing the campus, visual or performing art, minority access or athletics. To be eligible, students must have a minimum cumulative GPA of 3.0 or equivalent. Otherwise, all students - full or part-time, at any stage in their academic career - may be considered for an award.

Recipients are chosen by a committee consisting of the President, three members of the Board of Governors and the Vice-President of Student Services. Nominations are invited, but the committee may consider other persons as well. Awards, in the form of a plaque, will be presented by the Chair of the Board or designate at the Student Appreciation Night.

Nominations should include a brief description of the student nominee's contribution to the University and the names of persons from whom further information about this contribution could be obtained. Nominations should be forwarded on or before **Friday, February 9, 1996**, to:
