Dear Mr. McFavish:

I have just received your telegram.

I am to give this address next Monday night, the 11th, from nine to ten before the National Council of Education, Montreal. Am doing so only because it is to be broadcast throughout the Dominion. I do not like delivering addresses more than once but thought there was sufficient reason this time, but really could not arrange to go to Winnipeg. Have had to decline all other invitations.

I am sincerely appreciative of the invitation and hope the executive will understand my position.

Yours very truly,

Arthur Meighen.

Mr. W. L. McFavish,
The Canadian Club,
Winnipeg, Man.
