

6844

Ottawa March 10, 1909

Sir,-

Sometime ago we borrowed from you file No. 6844 of this Department which was in your possession with a number of other files in connection with the adjustment with the Ontario Government of Indian Reserves in Treaty No. 3. The said file was subsequently borrowed from you and within a few days returned to your office. It is very much required; I shall be obliged if you will be good enough to have it sent to this Department as soon as possible. I may explain that all the other files which had been lent you in connection with this question have been returned to this Department, but as the said file, 6844, had been borrowed and returned to you it is supposed that it got separated from the others, and must be some where in your office at present. The said file deals especially with surveys in Treaty No. 3.

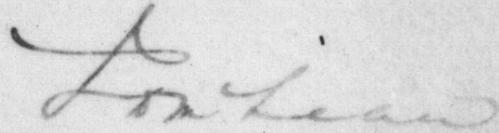

Your obedient servant

W. D. Hogg, Esq., K.C.,

Solicitor,

Sparks St.,
