

129992-5.

Ottawa, October 11, 1916.

Sir,-

Request has been made by the Rev.

Father Brouillet, Principal of the Kenora Boarding School, for the purchasing of a syphon pump and hose for cleaning the septic tank at that school.

As this apparatus appears to be necessary, you might consult with the Principal in order to know exactly the type and dimensions of the pump and hose required, and purchase same from a firm in Kenora.

The cost of the pump and hose should not exceed \$45.00.

Your obedient servant,

Asst. Deputy and Secretary.

R. S. McKenzie, Esq.,

Indian Agent,

Kenora, Ontario.
