

Ottawa, December 2nd, 1919.

Sir,

In reply to your letter of the 27th ultimo, relative to relief issues in the case of Mrs. Loubert, I beg to say that assistance will be afforded her at the rate of \$3.00 per week, owing to the fact that the relief fund is not unlimited and as there are many deserving cases, the fund cannot be furnished with all requests. The Department of the Interior has referred to the fact that you have referred to the fact that the relief fund is not unlimited and as there are many deserving cases, the fund cannot be furnished with all requests.

With respect to this case, and I am sorry to say, I cannot undertake to authorize expenditure of relief fund for the purpose of buying a better or much other article than the relief fund is intended to supply. It is expected that the relief fund will be used to a small amount weekly, and the relief fund is not intended to be used for the purpose of buying a better or much other article than the relief fund is intended to supply.

Going to the relief fund, the Department of the Interior is not intended to be used for the purpose of buying a better or much other article than the relief fund is intended to supply. It is expected that the relief fund will be used to a small amount weekly, and the relief fund is not intended to be used for the purpose of buying a better or much other article than the relief fund is intended to supply.

It is proposed to grant to Mr. Loubert a relief issue in the case of Mrs. Louis Aubin mentioned in your letter. It is requested to furnish her with relief issues to the value of \$3.00 a week.

The other matters mentioned in your letter above quoted will receive attention.

Your obedient servant,
