Permit No. 2234 - J.A. Mountain
Soldatquo I.R. No. 12

February 18, 1958

Further to my letter dated January 28th addressed to the Department, we are now advised that the permit signed by Mr. J.A. Mountain covering a portable saw mill on band land in Soldatquo Indian Reserve No. 12, for a term of one year from April 1, 1956, at a rental of \$150.00 per year has been approved and numbered 2234 in the Indian Affairs records.

The permit has been approved for record purposes only in order that authority to accept the rental paid by Mr. Mountain is available.

I would appreciate having your further advice as to whether the area has been used for a saw mill site since March 31, 1957, the expiration date of the permit which would of course necessitate the issuance of a further permit and rental for an additional term.

W.S. Arneil,
Indian Commissioner for B.C.
