

P R E F A C E .

THE publishers, in presenting their Nineteenth Annual Edition of the City of Hamilton Directory, gratefully acknowledge the support awarded them, and assure their patrons, that all means in their power have been exerted to make the work as thorough and reliable as it is possible for a compilation of this kind to be. *The present volume contains about 14,000 names of males (adults), widows, and women engaged in business, being 28 per cent. of the estimated population (50,000).* We claim that in everything essential this work is equal to any similar compilation published on this continent.

Wishing our patrons a favorable year, we take our leave, hoping in due time to request their support for the twentieth edition of this book. Please see that all orders bear our name.
