31 F	♈	6 43	5 45	4 9	40	4 48	6 37	4 52		23rd SUNDAY AFTER TRINITY.	

"Dr. Wilson's Anti-bilious and Preserving Pills are composed of chemical vegetable extracts, mostly from plants growing in our own country. Some of these plants have a direct action on the liver, others upon the skin, others upon the kidneys, and others upon the bowels and lungs. It is by a peculiar chemical combination of all these extracts that these pills are made to possess the most extraordinary efficacy for curing diseases growing out of a derangement of the bowels, kidneys or liver. In Chronic diseases or diseases of long standing, such as Liver complaints, Dyspepsia, Constipation of the bowels, Erysipelas, Scrofula, Scald Head, Pimples on the skin, and old sores, the treatment with these pills should be continued for a longer time than with less stubborn disease.

"These Pills have become so much of a favourite, that it is only necessary for us to say that they are for sale by all the principal Druggists and Dealers in family Medicines."—Sentinel. Woodstock.
