ONTARIO

ONTARIO

HALIBURTON CO., ONT. KINMOUNT. June 9.—The dry cold sather still continues; only a light rain is weeks. Spring grain looks well. Fay is very short with a good stand. Catter and the grain was late but good stand the grain. Sheep shearing was late but good works when well we would be good to be go

Astonishes Us!

The way our live stock adver-tisers are making sales so easily through the columns of Farm

through the columns of Farm and Dairy is astonishing. Recently Mr. Joseph O'Reilly, of Ennismore, a new beginner as a breeder of pure bred cattle, advertised a bull calf, using the columns of Farm and Dairy. On the strength of the first ad he sold the calf at \$100.

sold the calf at \$100. The calf was a good one and well worth the money. Yet it is very encouraging that a new breeder, not at all known outside of his home community, can make such a good sale and so readily through advertising

so readily through avertising in Farm and Dairy. Mr. S. Armstrong, of Jermyn P. O., Ont., recently had an ad. in Farm and Dairy. He dispos-ed of the stock he was offering and secured more replies than he could take care of, so he pass-ed them on to some of his neigh-

Have you pure bred stock you want to sell? It will pay you to seek buyers for it through the advertising columns of Farm and Dairy!

and Dairy!

You know our service costs you only the low flat rate of \$1.40 per inch each issue. Your salvertisement will take your announcement out to 16,000 possible buyers. Try this way of seeking sales! Fix up your ad tonight while you're thinking about it and send it to us and have it in Farm and Dairy for govern! suuces. for several issues
