

Makes It Pay

Farming pays. It pays better than any other investment. The way to make it pay easier and bigger than ever is to get our mechanical farm helps to do more of your work at reduced cost. This requires POWER and it requires MECHANICAL EQUIPMENT; but power equipment is what "makes it pay." We offer the best in our lines at most reasonable prices.

CHAPMAN ENGINE

ENGINE.

Do you remember how our fathers used to toil 20 hours a day, for weeks, to get the harvesting done? That was when the harvest was cradled and bound by hand. You no longer hear of gleaning all night by the light of the harvest moon. The reaper and binder have changed all that. The ordinary chores in farm life have lost their drudgery too. Pumping water for house and barn, grinding feed, pulping roots, churning, washing, and cream separating, are not done by hand any more. Gasoline engines or windmills furnish power to turn machinery and pump water. We manufacture and supply nearly all the helps needed to make farm life easy: Saw Frames, Grinders, Silos, Silo Blowers, Well Drills, Pumps, Water Systems, Litter Carriers, Windmills, Engines, etc.

BISHOPRIC STUCCO BOARD

makes Stucco and Plaster Walls warm, dry and permanent.

Plaster or cement applied to Bishopric Stucco Board wedges tight into the dovetailed spaces between the bevel-edged laths, forming "keys" that are stronger than can possibly be made on wood or metal lath. The heavy layer of Asphalt-Mastic in the Stucco Board makes walls absolutely wind and damp-proof, and therefore warm. And the cost is surprisingly low.

"Some fine day, Bill

I'll put on some life insurance and when I do I'll take it with you."

In these words last summer a young man declined to apply for an Imperial Life policy to protect his widowed mother against the contingency of his death.

Four weeks later he and a friend were drowned while bathing.

Supposing you should die suddenly—what would happen to your dependents? Would they be destined to a life of hardship? It is for you to say.

You can prevent it by means of an Imperial Home Protection policy. Let us tell you more about it? A postal will bring the information.
