

Neolin Half Soles

NEOLIN Soles increase the value but not the price of shoes.

These are the longest wearing Soles made.

With your first pair of Neolin-Soled boots you will experience a well-known fact that *has been proven on millions of pairs of boots.*

Now this same hard-wearing Neolin can be had for half-soleing old boots.

Nail them on or sew them on a pair of old boots and you can count on *months of satisfactory extra wear.*

And Neolin Half-Soles not only give you the longest wear. They are comfortable. They grip as you walk, bend with your step, ease your feet, make walking easier.

Neolin Half-Soles are made in sizes for children, women and men. Good shoe-repairmen can quickly get them.

Remember, though, the real Neolin has the word "Neolin" stamped on it. To be sure of Neolin economy, look closely for the name.
