## GOSSIP.

NICHOLSON'S SALE.

Messrs. R. & S. Nicholson, Sylvan, Ont., were  
fortunate in having the advantage of a good  
day on which to hold the sale of Shorthorns.  
The attendance was very good, and consisted  
largely of representative Shorthorn breeders.  
The auctioneer, Capt. T. E. Robson, was in his  
usual good form, and in less than two hours all  
the animals catalogued, numbering 20 head,  
were disposed of at prices satisfactory alike to  
Messrs. Nicholson and the purchasers. Since a  
number of the animals sold were calves a few  
months old, and a few others were young cows  
somewhat low in condition, the prices were not  
high in all cases. Following went to \$75 and up:

## MERITS OF THE SPRAMOTOR

Toronto, November 9th, 1898.

Spramotor Co., London, Ont.:

Gentlemen,—The machines for spraying and white-  
washing you have supplied to Dentonia Park Farm  
have done their work well, and are quite satisfactory.  
I could not have believed there was so much value in  
spraying fruit trees. We had a good crop of apples,  
whereas our neighbors who used no spraying ma-  
chine had practically none.

Yours truly,

W. E. H. MASSEY.
