GOSSIP.

(Continued from page 869.)

is, first, Jean McGregor (13278), by the great McGregor (1487); granddam Matilda (11992), by Prince of Wales (673). His dam, Jean McGregor, has quite a show record. In '95, she was second at Glasgow, second at Kilmarnock, and first at Ayr; in '96, second at Kilmarnock, first at Ayr, second at the Great Yorkshire, and first at the Royal; in '97, she was second at Kilmarnock, second at Edinburgh, first at Ayr, second at Highland, and first at Royal. Her dam, Matilda, was also a noted winner at Kilmarnock, the Great Yorkshire and the Royal. There is also in the Columbus stables a Canadian-bred colt, Cairnton's Best [3969], by Royal Cairnton (10875); dam Nellie Thistle [3379], by The Thistle [1249] (7342). This young Canuck shows lots of style in his going, and has splendid, clean, flinty legs.

A dispatch from Mr. W. D. Platt, Hamilton, Ont., has been received, announcing that the nine young imported Shorthorn bulls which were in quarantine have arrived at his farm in good condition, and are now for sale.

BRITISH COLUMBIA NOTES.

(By Sockeye.)

The Provincial Department of Agriculture is conducting an active propaganda against diseased fruit coming into the Province from the United States, and thus ensures the consumers value for their money, as well as protecting the orchardists from fungoid as well as other parasitic pests. Inspector Cunningham is of the opinion that a similar inspection should be made of meats. Such inspection, and the establishment of central abattoirs, is undoubtedly needed, when one sees the feeding of slaughterhouse offal to hogs, especially in summer-time. The farm-produced, milk, grain and rape or clover fed hog is vastly superior to the suburban cannibal product.

The semi-annual meeting of the B. C. Dairymen's and Live Stock Association was postponed from Aug. 4th until the time of the Provincial Fair, which will be held at New Westminster the end of September and the beginning of October. Pressure of haying and harvest was the cause of the small attendance to hear Dr. S. F. Tolmie, Victoria, lecture on "the advantages of the use of pure-bred sires."

J. M. Gardhouse, Weston, Ont., and Henry Wade, Toronto, Ont., are named as judges at the coming Provincial Show.

A large business in sheep is done with Washington and Oregon, by the Western purveyors of meats, P. Burns & Co., of Calgary and other points, importing about 10,000 head in August and September. These sheep cost about \$1.75 to \$2.25 apiece at shearing time, so I was informed by a recent shipper, and weigh when imported some six to eight weeks later, 90 to 95 lbs.
