DR. BARNARDO'S HOME.

The managers of these institutions invite applications from farmers and others for boys and youths, who are being sent out periodically, after careful training in English homes. The older boys remain for a period of one year at the Farm Home at Russel, during which time they receive practical instruction in general farm work before being placed in structions. Boys from eleven to thirteen are placed from the distributing home in Windiper. Applications for younger boys should be addressed from the Resident Superintendent, 115 Pacific Avenue, Winniper, or P. O. Box 970 and for older boys, possessing experience in farm work, to Manager, Dr. Barnardo's Farm Home, Barnardo, Man.

Expert

All our knowledge, all our experience, all our resources for doing fine watch and jewelry repairing are for sale. Big jobs, little jobs, simple jobs, hard jobs — anything in our line, we are risdy to do, and do it better than you ever had it done before. We've made a special study of superiority. To do ordinary v ork doesn't suit us, and we excel, while charging but moderately for it. Bring your watch when you come to Western Manitoba's Big Fair, or send a postal for a mailing box.
