To Make Home Pretty and Attractive

Is the wish of every lady. Perhaps we can help you a little by improving some unsightly arch, a nice piece over a bay window, a screen for a stairway, a cozy corner, a handsome stationary or folding screen. The expense will not be much and would add greatly to the appearance of the rooms. We make these in Moorish fret work, Japanese fret work, Seroll or Grille work, all combinations of the different styles and makes, finished in any kind of wood desired. Labatt's India Pale Ale Brass and Iron

Is an excellent nutrient tonic. Physicians desiring to prescribe will hardly find anything superior to this.—*Health Journal.*

"We find that the Ale uniformly well agreed with the patients, that it stimulated the appetite, and thereby increased nutrition. The taste likewise was always highly spoken of. In nervous women, we found that a glass at bedtime acted as a very effective and harmless hypnotic."—*Superintendent of large United States hospital.*
