

MISTAKES THIS TIME.

Doctor—"I diagnose all sicknesses from the patient's eyes. Now, your right eye tells me that your kidneys are affected."

Patient—"Excuse me, doctor, but my right is a glass eye."

How to Cleanse the System.—Parmelee's Vegetable Pills are the result of scientific study of the effects of extracts of certain roots and herbs upon the digestive organs. Their use has demonstrated in many instances that they regulate the action of the liver and the kidneys, purify the blood, and carry off all morbid accumulations from the system. They are easy to take, and their action is mild and beneficial.

It's almost as easy to lie as it is to lose money.

WEAK WATERY BLOOD causes much trouble. That tired feeling and many more symptoms follow in its wake. Try "Parovim." It is the best tonic to make you strong and well. All druggists sell it.

The restaurant-keeper hung out the following sign: "Coffee such as mother used to make." A customer, pointing to the sign, asked: "Is your coffee really such as mother used to make?" "It is," replied the proprietor. "Then," said said the customer, with a reminiscent look, "I'll take a cup of tea."

MOTHER'S SACRIFICE.

Every mother knows how fretful the little ones are when they develop Mumps, and the many rights rest she is called upon to sacrifice.

Mrs. S. A. Hammond, of Mimico, says: "My three children have had the mumps, and I used Zam-Buk for all of them with excellent results. Zam-Buk did my children a world of good, and will always keep it handy as a household remedy. I would recommend it to all mothers, and think that no home should be without it."

Zam-Buk cures Cuts, Burns, Chapped Hands, Ringworm, Sprains, Bad Legs, Bells, Ulcers, Running Sores, Scalp Irritation, Poisoned Wounds, Piles (blind and bleeding), Abscesses, Eczema, etc. Of all stores and druggists 50 cents a box, or Zam-Buk Co., Toronto, on receipt of price. 3 boxes for \$1.25.

"I'll give one of you boys ten cents to carry my bag to the station," said a cross-eyed man, pausing before three ragged fellows. "Which one, mister?" piped the boys in chorus. "You," said the cross-eyed man. "Which one?" "You!" There was a pause. Finally one little fellow said: "Fair do, mister; close one eye and look at the kid you want, will you?"

AWARDED SILVER MEDAL

NEWCOMBE PIANO WINS LAURELS AT JAMESTOWN EXPOSITION.

Mr. Albert Shaw, the well-known editor of the Review of Reviews and president of the jury of awards of the Jamestown Exposition, has notified the Newcombe Piano Company, of Toronto, that a silver medal has been awarded them on their new patent piano equipped with the Howard Patent Tension Rods, which they are exhibiting at the Exposition. The Newcombe's success is another tribute to the skill of Canadian manufacturers.

"I haven't got any case," said the client. "I have money." "How much?" asked the lawyer. "Ten thousand dollars," was the reply. "Pshaw! You have the best case I ever heard of. I'll see that you never go to prison with that sum," said the lawyer, cheerfully. And he didn't—he went there "broke."

It Keeps the Muscles Pliant.—Men given to muscular sports and exercises and those who suffer muscular pains from bicycle riding will find Dr. Thomas' Electric Oil something worth trying. As a lubricant it will keep the muscles pliant and free from pains which often follow constant use of them, without softening or impairing their strength. For bruises, sprains and contusions it is without a peer.

HOW THE YOUNG IDEA SHOOTS.

Many children are so crammed with everything that they really know nothing.

In proof of this, read these veritable specimens of definitions, written by public-school children:

"Stability is taking care of a stable."

"A mosquito is the child of black and white parents."

"Monastery is the place for monsters."

"Tosin is something to do with getting drunk."

"Espulation is to have the small-pox."

"Cannibal is two brothers who killed each other in the Bible."

"Aatomy is the human body, which consists of three parts, the head, the chest, and the stomach. The head contains the brain and the eyes, if any. The chest contains the lungs and a piece of the liver. The stomach is devoted to the bowels, which there are five, a, e, i, o, u, and sometimes W and y."

H. Shan'to, wife—"Do you believe in the story that the greatness of a father often proves a stumbling-block to the advancement of his son in life?"

Wife—"I certainly do. I am thankful, John, our boy will never be handicapped in that way." Husband—"Oh!"

Managing Director—"Well, and what are your qualifications for the post of night watchman?" Applicant—"Well, sir, for one thing, the least noise wakes me up."

AN EASY VICTIM TO CONSUMPTION

The run down system is an inviting field for the germ of Tuberculosis. You cannot avoid breathing in the germs—they are everywhere—but a robust system is immune from their attacks. To rebuild a weakened system there is nothing that contains so much virtue as **ODD LIVER OIL**, but the virtue is not in the grease. In fact the grease is really valuable principles of the OIL by deranging the digestion.

In "BRICK'S TASTELESS" the grease is eliminated. It presents the valuable principles of **ODD LIVER OIL** in a palatable form, combined with phosphorus in the form of the Compound Syrup of Hypophosphites, the nutritious Liquid Extract of Malt and the Bromine Tonic and Sedative Fluid Extract of Wild Cherry Bark.

ARM YOURSELF AGAINST CONTAGION.

"BRICK'S TASTELESS" will build up the overtaxed system and will cure Bronchitis, Pulmonary & Rheumatic, the damaged or disordered nervous system. Make your body healthy and you need have no fear of germs or diseases.

A PROSPEROUS COLONY.

In the State of Victoria, Australia, the railway revenue for 1907 fiscal year was \$20,050,000, the highest on record, while the working expenses were less than 52 per cent. of the revenue, the lowest for twenty-eight years. The number of savings bank depositors increased by 25,000. Forty per cent. of the entire population has deposits. The amount at their credit on June 30 last was \$64,000,000, an increase for the year of \$5,140,000. Overseas exports exclusive of gold, amounted to \$62,000,000, an increase of 250 per cent. over 1903. The colony's overseas imports amounted to \$75,000,000. The exports to other States were nearly \$25,000,000. The Government revenue for the year was \$41,565,000, and the expenditure only \$37,505,000, creating a surplus of \$4,060,000.

A cough is often the forerunner of serious pulmonary afflictions, yet there is a simple cure within the reach of all in Bickle's Anti-Consumptive Syrup, an old-time and widely recognized remedy, which if resorted to at the inception of a cold, will invariably give relief, and by overcoming the trouble, guard the system from any serious consequences. Price 25 cents, at all dealers.

Gunner—"A wireless piano is the latest." Guyer—"H'm! When they invent a soundless one life will be worth living!"

BY BRIBING THE NERVES with opium you may stop a cough but the inflammation goes from bad to worse. Allen's Lung Balm, containing no opium, goes to the root of the trouble and cures deep-seated affections of throat and lungs.

Magistrate—"I hope I shall not see you here again." Old Offender—"Not see me here again! Why you ain't going to resign your office, are you?"

Not a Nauseating Pill.—The excitement of a pill is the substance which enfolds the ingredients and makes up the pill mass. That of Parmelee's Vegetable Pills is so compounded as to preserve their moisture, and they can be carried into any latitude without impairing their strength. Many pills, in order to keep them from adhering, are rolled in powders, which prove nauseating to the taste. Parmelee's Vegetable Pills are so prepared that they are agreeable to the most delicate.

There's more money to be made by humoring people than by instructing them, but money isn't everything.

ITCH. Mange Prairie Scratches and every form of contagious Itch on human or animals cured in 30 minutes by Wolford's Sanitary Lotion. It never fails. Sold by all druggists.

Laughter may be beautiful, but it must be a serious matter to be tickled to death.

WE CLAIM that "The D & L" Menthol Plaster will cure Lumbago, Backache, Sciatica or Neuralgia faster than any other plaster. Recommended by everybody.

EVIDENCE ENOUGH.

"Tell me, brother, is it possible to let Robert know that I am an heiress?"

"Has he proposed to you?"

"Yes."

"Well, you may be sure he knows it already."

MURDERED FOR A FORTUNE.

Russian Woman Confesses That She Killed Her Sister-in-Law.

Mme. Rastzreff, the widow of a professor at the university of Moscow, was recently found murdered a short distance from her country residence, a few miles out of Moscow.

Mme. Terpinsky, a sister-in-law, lay in a fainting condition under some bushes not far away. When she had sufficiently recovered she stated that she and Mme. Rastzreff had been attacked by robbers.

Mme. Rastzreff, who was enormously wealthy, had died intestate, and as Mme. Terpinsky was her nearest relative suspicions were aroused that she had invented the story of the murder-attack.

Mme. Terpinsky has now confessed that she committed the crime, and is in prison awaiting trial.

FEELING WORDS.

"You can never tell," observed Uncle Allen Sparks, "what lasting results may be accomplished by an earnest word spoken at the right time. Many a man has had the shape of his nose changed for life by calling another man a liar."

HELP YOUR BABY.

No mother can expect her little ones to escape all the minor ailments of childhood, but she can be reasonably sure that her child will be healthy if she gives it an occasional dose of Baby's Own Tablets. And she can feel absolutely safe in giving this medicine, as she has the guarantee of a government analyst that it contains no opiate or poisonous soothing stuff. Mrs. Uria Cressman, New Hamburg, Ont., says: "I have used Baby's Own Tablets for stomach troubles and constipation with the greatest success. I always feel safe when I have a box of Tablets in the house." Sold by all medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Get Your Roofs Shingled Right

It's Less Money And Less Work

You can put on a roof that will last a hundred years and be the right kind of a roof every minute. Or you can put on a ten-year roof that will probably leak after the first rain hits it, and keep leaking till it is rotted away.

Either roof will cost you about the same in money at the start. But the "Oshawa" shingled roof will be FIRE-PROOF—literally; and wind-proof—actually; and lightning-proof—positively. That's the hundred-year roof!

And that "Oshawa" shingled roof will be weather-proof for a century. We'll GUARANTEE in every way for a quarter-century—from now till Nineteen-Thirty-Two.

Guaranteed in writing for 25 years—and you needn't ever paint it, even! That's saying something, isn't it?

What would your mill-man say if you asked him to guarantee cedar shingles for even ten years? He certainly would make remarks!

And even the best cedar-shingled roof will be leaking badly inside of ten years. Seven out of ten of them leak the first time it rains. No wood-shingled roof is fire-proof for a minute, and the first high wind that catches a loose shingle—woohoo! goes half your shingled roof over into the next township.

As wood-shingles; fire-proof, water-proof, rust-proof, lightning-proof; easier to put on; and GUARANTEED. That's the "Oshawa" proposition! Tell us the measurement of any roof, and we'll tell you exactly what it will cost to roof it with less work and for less money.

Plenty of facts that concern your pocket-book come to you as soon as you ask for our free book, "Roofing Right." A post card will do to ask on.

BEER* IS GOOD FOR MOST FOLKS

(HARDLY ANOTHER BEVERAGE FEELS SO WELL)

B EER really excels milk as a food-drink for most grown people. And many, many people cannot digest milk easily, because it is so lacking in solid food-contents. Moreover, milk is so liable to contagion that it is seldom pure when we get it in the cities. But Ontario-brewed beer is really pure,—brewed in cleanliness, of sound materials, in a sanitary way, and brought to the user in the same fit-to-drink state.

Beer Is No Stimulant

Drink beer with meals and at bedtime, as an item of diet that will help the stomach do its work better, and will feed the body besides. Don't chorse beer as a stimulant, though,—it does not contain enough alcohol for that. Use it as a food-drink that induces lazy stomachs to do their work well, and so helps them get more good out of all food.

Beer Makes Better Nerves

Ontario beer is not only deliciously appetising and refreshing, because brewed of pure malt and hops only; but, besides, all the power that hops possess to repair nerve wastes is kept in these brews. That is what makes beer so particularly good for women to drink regularly. Ask your own doctor what he thinks of beer for your household.

* BEER is a term which covers lager, ales, porter and stout; and, in the practice of Ontario brewers, implies beverages made under most hygienic conditions from Ontario barley (the best in the world) malt, hops and pure water.

Oshawa Galvanized Steel Shingles are GUARANTEED in every way for Twenty-Five Years Ought to Last a Century

Yet cedar shingles cost you just about the price of these guaranteed "Oshawa" Shingles—28 gauge toughened steel, double galvanized—good for a century, guaranteed in writing till 1932,—fire-and-wind-and-weather-proof and lightning-proof. Four-dollars-and-a-half a square buys "Oshawa" Galvanized Steel Shingles—ten feet by ten feet. Compare that with the present price of cedar shingles—how does it strike you?

And you can put on these "Oshawa" Galvanized Steel Shingles yourself, easily,—with no tools but a claw-hammer and snips. Simplest thing you know—can't get 'em on wrong.

"Oshawa" Shingles lock on all four sides—whole roof is practically one sheet of double-galvanized steel, that never needs painting.

And GUARANTEED—don't overlook that. Guaranteed in writing, over the seal of a company with a quarter-million capital,—guaranteed in plain English, without any ifs or buts, for 25 long years.

That's the argument in a nutshell—cost the same as wood-shingles; fire-proof, water-proof, rust-proof, lightning-proof; easier to put on; and GUARANTEED. That's the "Oshawa" proposition! Tell us the measurement of any roof, and we'll tell you exactly what it will cost to roof it with less work and for less money.
