

ODD FELLOWS DEDICATE THEIR BELLEVILLE TEMPLE

Beautifully Impressive Ceremony on Tuesday Night Witnessed by Large Number of Members of the Order and Their Friends—Officers of the Grand Lodge Present.

The night of Tuesday, August the 1st, 1916, will be a memorable date in the local annals of the Independent Order of Odd Fellows.

The ceremony of dedication was one of the most beautiful and impressive ever witnessed in this city.

The Odd Fellows temple is what has been familiarly known in the city as Alberta block.

The former Albert hall has been for some weeks past in the hands of decorators and electricians and repair specialists.

The lighting scheme is soft and luxuriant and in keeping with the color scheme.

The Grand Master and his retinue were ushered in by Bros. F. H. Chesher, H. D. Ranson, Geo. Kerr, and Ernest Thompson.

Accompanying Grand Master Cooper, were the deputy grand master, Bro. Charles Parks, Toronto.

After the Grand Master and staff had assumed their positions, Bro. Ketcheson introduced Bro. Sergt. Chas. Gibson, veteran of three wars.

Then the heralds, directed by the grand warden, began the erection of the altar of Odd Fellowship.

The ceremony being concluded an informal program followed with addresses by the grand lodge officers.

Bro. R. H. Ketcheson took the chair and most pleasingly introduced the various numbers.

Grand Master Cooper in a brief address said that nothing during his tenure of office had given him greater pleasure than to be present at the dedication of the Belleville temple of Odd Fellowship.

Deputy Grand Master Parks made an eloquent but brief address in which he exhorted the brethren to greater manifestation of the true spirit of brotherhood.

Grand Warden Mann, who is a capital story-teller as well as an effective speaker kept the audience in a continuous round of merriment by his anecdotes and witty applications.

Grand Chaplain Cox also made an excellent address in which wit and good advice abounded.

During the evening's ceremony and the program that followed the proceedings were greatly enlivened by a most capable choir under the leadership of Mrs. Grant.

After the serving of refreshments the historic evening came to a close.

RHEUMATISM GOES QUICKLY ITS VIRUS FOREVER DESTROYED

Every Case is Curable. Good-bye to Rheumatism! Your aching joints, your stiff, sore muscles, those sleepless nights and suffering days—good-bye forever—your day is gone.

"A man met me a month ago, and said, 'don't stay crippled, quit complaining, limber up.' My answer was 'I'm rheumatic, I can't do it.' He looked me over in a pitying sort of way and told me to go to the nearest drug store for Nerviline and Ferrozone. The combination had cured him. I was convinced of his sincerity and followed his instructions.

155th Farm Furloughs

Lieut.-Col. M. K. Adams is Being Decried by Farmers.

There was a regular raid on Lieut.-Col. M. K. Adams for farm help after the battalion returned from Belleville on Sunday evening.

Almost every farmer who met the colonel had the same request to make and nothing could have stimulated the demand more than the appearance of the 155th in Belleville at this critical time.

As orders have been issued that only a small percentage of the men of the 154th and 155th Battalions may be granted farm furloughs there is small likelihood of many leaving the battalion for this work.

The wages being paid in the district of Belleville are very high for the soldiers running from \$45 to \$60 a month with board.

CARRY QUESTION RIGHT TO POLLS

ORANGEMEN ISSUE MANIFESTO ON LANGUAGE QUESTION.

QUEBEC A BLACK SPOT.

Dr. D. D. Ellis, Fleming, Sask., Re-elected Grand Master of Grand Lodge of British America at Closing Session.

Canadian Orangemen closed their annual Grand Lodge at Toronto as they opened it, with a straight manifesto on bilingualism.

Strong Manifesto.

"There can be no uncertainty as to its attitude on the bilingual and kindred questions. Unscrupulous agitators and campaigners, who rejoice in misrepresentations and the confusion of the issues, may rest assured that the bilingual question will be made a direct issue in the coming political campaigns, both Dominion and Provincial, and the Orangemen of Canada will unite, as never before to demand from any Government, and all parties, that this Canada remain British.

"We are prepared to defend the language, flag, and schoolhouse' issue as long as there is left a man among us to till our lodge-room doors.

"Should any attempt be made to disturb the present provisions of the B. N. A. act in regard to the English language, those responsible for such interference may find that an instant demand will be made by the rest of the Dominion, outside of Quebec, to make English the sole official language of British America.

War of the Empire.

On the war, the committee declared: "This is the war of the Empire in a most remarkable degree, whose growing sense of life and unity and responsibility is seen in the general devotion of men and means, with a thoroughness which indicates that the Greater Britain realizes its existence, its place in the world, and the principles for which it stands among the nations of the earth.

A buzzing noise in the head is the beginning of chronic Catarrh. If not checked the result is deafness. A simple remedy that many physicians advise is to slowly inhale 'Catarrh-ozone' a few times each day.

The soothing vapor of Catarrh-ozone cures the Catarrhal condition, and hearing improves at once.
