## R.C. Volunteers Hold Parade

Addressed by Administrator, Who Reminded Them of Their Duty to the Empire

Yesterday afternoon the Catholic men of the Volunteer Force paraded in a body to the Cathedral where they lined up and were addressed by Rev. J. McDermott, Administrator of the Archdiocese. In a very eloquent and touching manner Father McDermott reminded them of their duties to their Empire and King and encouraged them to acquit themselves valiantly and fearlessly as soldiers in a great and noble cause. In no better manner could they do this than by living up to the precepts of their holy religion as he was glad to testify the myriads of Catholic soldiers now at the front were doing.

The words of the good priest visibly affected many of the men—a fine-looking body and at the conclusion of the address the soldiers were presented with sets of prayer beads and enrolled, each being also given a scullion of the Blessed Virgin Mary. The men then approached the Tribunal of Penance and this morning this parade to the 7 o'clock Mass, at which they devoutly assisted and received Holy Communion.

## Dr. Geisel at Redcliffe

F.P.U. Hall Crowded With Large Audience—People Came From Nearby Places

(Special to Mail and Advocate) King's Cove, Oct. 23.—Dr. C. Geisel and Mr. Crowe drove to Redcliffe last night where people assembled from Open Hall and Tickle Cove to hear this famous lecturer on prohibition and health.

The meeting was held in the Union Hall, Jacob Quinton presiding. The crowds that packed the hall extended out into the road, many were unable to get within hearing of the Doctor's eloquent appeal of nearly two hours for right living.

The audience gave the closest attention to the convincing arguments on the evils of alcohol and the importance of building up strong bodies by the proper use of foods we have at hand for the great duties that await us as a result of this terrible struggle for liberty.

At the close a representative committee was formed to assist during the prohibition campaign and to continue it as a health club afterwards.

The Strathcona has been delayed reaching here on account of bad weather; this enabled Dr. Geisel to have three additional meetings in this section of the country. The Strathcona is due to-day and will take the party to Salvage for a meeting.

To-night Greenspond and Newtown on Sunday; Fogo and Joe Batt's Arm on Monday.

Dr. Geisel's party intend spending at least another week visiting the principal places in Notre Dame Bay.

—CITIZEN.

We advise trappers to send their furs to Newfoundland Fox Exchange.

## Unprecedented Conditions At The Hospital

Mr. Eli Whiteaway had the two men Jordan and Berry, hurt on board the Faraday, taken to Hospital at 1 a.m. to-day, after Dr. Campbell had boarded the ship. To get the men in, two others who were convalescent, had to give up their beds in the institution. There are now 60 female patients in the city and fully 30 males waiting to get to Hospital, but the place is filled to overflowing. This is an unprecedented condition of affairs.

Write for prices on Britestlite Kerosene and Gasolene. P. H. COWAN, Importer.

## A Nocturnal Prowler

Nightly, almost for the past week, a man has been prowling around Brien's Street in its darkest part south of the Tessier property. He has accosted and insulted several females, and residents of the place asked the Advocate to-day to draw the attention of the police to the matter. No doubt the law officers will give the scamp a surprise.

Splendid Result of Collection For Our Wounded Sailors and Soldiers

We again congratulate the ladies who had charge of the collections for the Sick and Wounded Soldiers' Fund on Trafalgar Day. The proceeds were counted yesterday afternoon and amounted to the handsome total mentioned above.

Two factors contributed largely to this excellent outcome: the zeal and efficiency of the young ladies who vended the Nelson ribbons and the patriotic generosity of citizens, none of whom were too poor to buy and all of whom proudly displayed their love of Home and Empire.

## LATEST WAR MESSAGES

American Press On Nurse Cavell's Foul Murder

New York, Oct. 23.—The execution of Edith Cavell by Germans is denounced this morning by every English language paper in New York, save The American; that paper is editorially silent on the case, so also is The Staats Zeitung.

"Worse Than a Crime" is the heading which The World says is part in worse than crime, it is a blunder.

The Tribune says American will feel deeper sympathy for Miss Cavell because an American minister's own words testified to the facts lie clear, the facts be it said not of illegality but of inhumanity, surpassing brutality, unbelievable stupidity.

The Herald sees a direct snub to United States in the way the case was handled; there might as well have been no American legation in Brussels, says The Herald.

## LUXEMBURG MINISTRY HAS RESIGNED

AMSTERDAM, Oct. 23.—A despatch from Luxembourg in the Calonge Gazette says that the Ministry of the Grand Duchy has resigned owing to difference of opinion with Grand Duchess Marie.

PARIS, Oct. 16.—The declaration of martial law at Salonika on Tuesday last is reported by an Athens correspondent, General Moschomolos, who is in command of the Greek forces there ordered his troops to salute the French and British officers. The commander of the allied troops will issue a similar order. By Royal decree Prince Nicholas, brother of King Constantine, has been nominated military governor of the interior zone.
