

BRITISH COLUMBIA FEELS EARTHQUAKE

Shock Recorded Shortly
After Midnight on the
Pacific Coast

ANOTHER IN SOUTH

By Courier Leased Wire
Vancouver, Dec. 6.—The city was shaken violently by an earthquake at 12.45 this morning. The tremors, which appeared to be from north to south, were felt for two minutes. A distinct rumbling was noticeable. Occupants of tall buildings were especially affected by the disturbance, many being seized with nausea. The shock was felt in all parts of the city, many persons being awakened by the shaking of furniture and rattling of dishes.

In Victoria Also.
Victoria, Dec. 6.—A pronounced earthquake of several seconds duration was felt here at 12.45 o'clock this morning. Houses shook and windows rattled all over the city. Island points in the immediate vicinity also reported noticing the disturbance.

Another Quake Southward.
Washington, Dec. 6.—An earthquake of great intensity, approximately 2,500 miles south of Washington, was recorded early to-day on the seismograph at the Georgetown University Observatory. The shocks, beginning at 3.48 o'clock and continuing one hour, were so severe that at one minute after four o'clock the needles were dislodged from the machine.

There was another sharp shock at 7.22 o'clock. It was thought at the observatory that the disturbance was in South America.

HEAVY SENTENCES FOR TWO DESERTERS

London Conscripts are Given
Fifteen and Ten Years
by Court Martial

By Courier Leased Wire
London, Ont., Dec. 5.—Two soldiers of the First Depot Battalion, W.O.R., found guilty of desertion, received to-day the severest sentences imposed in the military district since the outbreak of the war.

Private Aulden Charles McLean, of 12 Market Square, Windsor, found guilty of deserting his unit after being warned for draft about to proceed overseas, was sentenced by a courtmartial to 15 years penal servitude, which was commuted by the authorities at Ottawa to ten years imprisonment. McLean was warned for draft which proceeded overseas on September 25 of this year. He left for his home almost immediately after being warned and did not return until apprehended by military police in Windsor.

Private Clement Brohman, of R. R. No. 2, Preston, Ontario, was

also found guilty of desertion. He was at his home on harvest leave, when he received both telegraphic and postal orders to report back to his battalion to proceed overseas on draft. This he failed to do and he was sentenced by the courtmartial to ten years penal servitude. Private Delmar Pearson, Corinth, Ontario, was also charged with desertion, but the courtmartial decided that owing to extenuating circumstances he should be found guilty of the lesser crime of being absent without leave and he was sentenced to six months imprisonment.

Private Herbert Platten, Dash-

wood, Ontario, was another man charged with desertion, who was found guilty of the lesser crime of being absent without leave. He was sentenced to three months imprisonment.

NO FORMAL SURRENDER.

London, Wednesday, Dec. 4.—There will be no formal surrender of German airplanes, as was at one time expected, because it has been found impracticable to assemble 2,000 airplanes at one place and it is doubtful whether Germany has a sufficient number of reliable pilots for that purpose. Hence, the first

surrender in history of an air fleet is being effected by piecemeal. The Germans are shedding their wings in the course of retreat and the advancing Allies are picking them up. Don't think because you have taken many remedies in vain that your case is incurable. Hood's Sarsaparilla has cured many seemingly hopeless cases of scrofula, catarrh, rheumatism, kidney complaint, dyspepsia and general debility. Take Hood's
