There seems to be something in a name after all. Politically speaking the commoner it is the better. To be a Bill or a Jim may not assure political distinction, but certainly nothing but political extinction seems to await most of them men who were christened something unusual.

BLOOD DISEASES CURED

Dr. K. & K. Established 20 Years. NO NAMES USED WITH-OUT WRITTEN CONSENT.

He was surprised at how the disease healed. I took your New Blood Treatment for a serious blood disease with which I had been afflicted for twelve years. I had consulted a score of physicians who all kinds of medicines, visited Hot Springs and other mineral water resorts, but only got temporary relief. They would help me for a time, but after discontinuing the medicine the symptoms would break out again—running sores, blotches, rheumatic pains, loss of the hair, swellings of the glands, pains of the hands swelling, itching of the skin, dizziness, etc. I had given up in despair when a friend advised me to consult you, as you had cured him of a similar disease. 9 years ago I became encouraged. I continued the New Blood Treatment for four months and at the end of that time every symptom had disappeared. I was cured 7 years ago and no signs of any disease since. My boy, three years old, is sound and healthy. I certainly can recommend your treatment with all my heart. You can refer any person to me privately, but you can use this testimonial as you wish. W.
