## That is What has to be Done

TO END THE WAR-KRUGER SAID TO BE WILLING FOR PEACE ON ANY TERMS.

London, Saturday, June 16, 4 a. m .-Lord Roberts' despatch leaves affairs east of Pretoria, with the Boers withdrawn to new positions, Tuesday. News of fresh fighting is expected at the war office, but none came last night. General Rundle's patrol had a skirmish with Boer videttes again Eednesday. Some wonder is expressed here as to what he is doing with three divisions. It is assumed by some that General Buller will move into Orange River Colony and co-operate with Lord Methuen and Gen. Rundle in bagging President Steyn and his seven or eight thousand followers. Part of Christian Botha's force has halted at Paardekop, eighteen miles northwest of Volksrust. Boer parties are still near Volksrust, and fire occasionally upon the British pickets. A despatch from Lorenzo Marquez, dated yesterday, says:-Persons have arrived here who have seen the preparations of the Boers and learn-ed that they will retire, when forced, through the Lydenburg district into

the Zoutpansberg region, adjoining Rhodesia and Gazaland. The Daily Mall has a despatch from Bloemfontein, dated Wednesday, saying :- "Gen. Dewet's attack on the railway was made after he had succeeded in luring Lord Methuen from where he had destroyed the line. Then he cleverly seized it north of Kroonstadt, blew up the bridge and destroyed a long section of the line with

dynamite."

Major-Gen. Baden-Powell has been appointed to the temporary rank of lieutenant-general.

The Cape Town correspondent of the

Daily Telegraph, in a despatch dated yesterday, says: "I understand that Gen. Dewet, in addition to the Derbyshire battalion, captured two captures of the City Volunteer; and two escaping to tell the tale." CAN BOBS SPARE TROOPS!

The British government is considering whether a substantial force should not be sent to China from South Africa. It is thought, unofficially, that Lord Roberts could spare a brigade or two, and the necessary transports are now in South African swaters. The commander of the expedition, it is said, would probably be Gen. Sir William Nicholson.

A despatch from Paarl, Cape Colony, says—Mr. T. Huron, president of the says:-Mr. T. Huron, president of the

Afrikander Bond Congress, to-day de-nied the charge that the Afrikanders were part and parcel of a conspiracy to detach British South Africa from were part and parter of a conserver to detach British South Africa from the crown, and affirmed the loyalty of the Bond party to Queen Victoria. The Lorenzo Marquez correspondent of the Times says it appears that Steyn and not Kruger is now the stumbling block in the way of the surrender of the burghers. Shortly after the British entry into Pretoria Mr. Kruger proposed to reopen the peace negotiations. Mr. Steyn, bearing in mind that his former advice was scouted, demurred to this, and pointed out that according to the treaty between the republics neither could conclude peace without the other. Mr. Kruger, equally unwilling to incur the charge of a breach of faith, had to continue the war. Nothing further is known regarding the

ing further is known regarding the rumored peace negotiations, but it is a matter of notoriety that Mr. Kruger favors peace on almost any terms, but dislikes personally to take an in-itiative that would involve unconditional surrender

## THE CELEBRATION

An Outline of the Program for Dominion Day.

Lots of Fun and all Absolutely Free School Children's Competition.

A most satisfactory meeting of the Dominion Day celebration committee, was held in the Rankin House parlors last evening, with Major Rankin in the chair.

The Finance committee composed of Messrs. Rankin, Sheldon, Piggott and Fred. Stone, reported that they securcured subscriptions to the amount of about \$400, which with the \$300 grant. by the council, gives the committee about \$700 to work on. They have been ably assisted in their work by Dr. Tye and J. R. Reid.

The secretary reported that he had ommunicated with the Collegiate Institutes at London, St. Thomas, Sarnia, Woodstock, Hamilton, Windsor, Galt, Brantford and Ridgetown inviting their cadet corps to take part in the drill competition for \$150 in gold.

The secretary also reported that he was communicating with all the publiq and separate school teachers in the county with reference to the public school championship in athletics, which will be contested in the fore-

moon of Dominion Day, t Mr. Hadley reported that the City and Excelsior bands had been engaged

and Excelsior bands had been engaged for the entire day.

The committee in connection with Calithumpian parade is Aid. McCoig. Messrs. Alexander, Peck, T. Smith and T. Darling.

The King street sports will be under the supervision of Messrs. F. Quinn, Geo. Sulman, R. Pritchard, G. Fielder, F. Judson, and Riddell.

The grounds committee for the pub-

The street parade of the drill crops will be under the charge of Major Rankin and Wm. Campbell. Dr. Tye and Mr. Anderson will be committee in charge of the evening

erformance. The reception committee, which will be a large one, is under the chair-manship of Jno. Piggott, sr. The arrangements for music are hands of Joe Hadley and A. McCoig. The printing committee is Dr. Tye and G. W. Cowan

Chairman Rankin and Secretary Cairn are ex-offico members of all commttees and the general management of arrangements and the program has been placed in the hands of the latter.

"The Daughters of the Regiment," a corps of about 20 young ladies of Windsor, will give an exhibition of fancy drill in the evening accompanied by their own bugle and drum band. They will not march in the street parade of the cadet corps but will form part of the parade in carriages. Fifty dollars is appropriated for prizes in the calithuspian parade and the committee

romises something novel.

The committee in charge of the King St ports will have \$75 at its disposal and the ommittee's sole object will be to amuse.

A feature that should appeal to visitors to the Maple City on Dominion Day, is that everything is absolutely free to the public except the professional baseball matches and professional baseball matches and the evening entertainment on Athletic Park. The day's program is without doubt the most elaborate of the kind that has ever been offered to the visiting public without charge, either for admission or for entry fees to the various events.

One of the most important features will be the public school champion-ships for the county of Kent, which, if successful, will be made an annual event hereafter,

SOCIAL AT LOUISVILLE.

The ice cream social last evening a the residence of Mr. Broughton, 3rd Con., Chatham township, was exceed-ingly well attended and four times were the large tables, which had been erected on the lawn, filled. The spread was a splendid one and the ice cream abundant and delicious. At the conclusion of the splendid repast the conclusion of the splendid repast a pleasant program was given. Ed. Rouse, of Chatham, occupied the chair in his own agreeable way. The choir of the Methodist Church gave a number of selections, including the anthem, "Son of my Soul," with solo by Clarence Bedford, Mass Grace Pickering sang in her charming style several excellent solos, and Miss Stonehouse added to the pleasures of the concert by means of a number of splendid recitations. The Rev. Mr. Walker brought an enjoyable evening to a close with prayer. Close to \$100 was realized,

tion in China, as it appears to the Shanghai correspondent of the Daily Express, cabling last evening:

It is really a state of veiled war. The members of the foreign legations in Pekin are virtually prisoners, and the Chinese troops are only restrained from attacking them by fear of the legation guards.

Meanwhile the ministers are altogether unable to communicate with the officers commanding the relief column, which is making an enforced and isolated halt between Tien-Tsin and Pekin. The walls of the capital are guarded by 100,000 imperial troops. The gates are heavily defended with modern guns. Gen. Tung, acting under orders from the empress dowager, has sent word that no more foreign troops shall enter the sacred city. Meanwhile the ministers are alto-

Sir Claude MacDonald's latest message says that the legations are capable of sustaining an effective defence anless attacked in force. Russia, the correspondent asserts, not withstandin assurances to the contrary, sides with China, Some foreign troops are already reported to be in the environs of Pekin; and the attitude of the Chinasa troops is in

attitude of the Chinese troops is increasingly menacing.

The streets of Pekin, continues the correspondent of the Daily Express, are reported to be seething with antiforeign mobs, clamoring for the destruction of the legations and the death of the ministers. Even were the tsung li yamen disposed to restrain the violence of the reactionaries it is considered highly improbable that they will be able to hold them in check. For the foreign ministers the crisis will arise when the relief column comes within sight of Pekin. umn comes within sight of Pekin.

It is still felt here that the foreign force is wholly inadequate to battle with the hordes of Chinese troops massed outside the gates, which now

nclude the imperial troops from Shan-Hai Kwan.

A' disquieting element in the situation is the fact that, although the Russo-Chinese telegraph line from Pekin, via Kiakhta (Eastern Siberia), is working again, the transmission of Regulating researce is rigidly refused. Hai Kwan. English messages is rigidly refused.
From Tien Tsin it is reported that foreign forces in the harbor will atattack the Taku forts and if necessary

ambard them. The international column appears to be still at Lang Fang, engaged in repairing the railway, which, according to a despatch from Tien Tsin to the Daily Mail, dated June 14, cannot be effected for weeks. The force is short of provisions, and, as it is without field transport, it must stick to the

The report that the mixed force will seize the Taku forts is taken to mean that the foreign commanders expect no aid from the Chinese governient in repressing the disorders and are determined to make Taku secure as a base from which to operate, The Hong Kong correspondent of the Times, under date of yesterday,

says: The southern provinces of China are still quiet, although there was a slight disturbance recently against the Catholies in the village of Tai-Lek, near Fat Shan. There are some misgivings at the idea that the military authorities are about to cause a further depletion of the Hong Kenng garrison.

Kong garrison.

The St. Petersburg correspondent of the Times, telegraphing Thursday, says: In competent political circles there is no wish or trace of intention to act in China other than with the great powers. At the same time there is no desire to establish European con-cert. Russia, like the United States, reserves to herself independency of
