## Nature Helps Mi-o-na Stomach Troubles in Short Order

The summer months are the best in the whole year for the treatment and cure of stomach troubles. The out-door life, with natural exercise, the fruit and berries which are so freely eaten, all help to restore healthy action to the digestive organs.

Now when Nature will aid Mi-o-na in curing indigestion and giving strength to the stomach and whole digestive system, is the best time to use this remarkable remedy.

Taken before each meal, Mi-o-na will soothe and heal the inflamed and irritated lining of the stomach and solar-plexus, and strengthen the nerves of the digestive tract. Used at any time of the year, it cures all diseases of the stomach, excepting cancer, but in the summer months it gives health and strength twice as quickly.

If you suffer from headaches, indigestion, flatulency, specks before the eyes, fermentation, heart burn, dizziness, or have a variable appetite, and a general feeling of dependency or weakness, it shows clearly that the stomach is not digesting the food as it should. Instead of the food being assimilated and making rich, red blood and good solid flesh and muscle, it is turned in the stomach into a sour, slimy, fermenting mass that causes gases, distress after eating, and poisonous germs that fill the whole body with poor health.

Just one little tablet out of a 50 cent box of Mi-o-na for a few days, and all this will be changed for the better, and health restored. Ask C. H. Gann & Co. to show you the Mi-o-na guarantee.

# WORLD OF SPORT

## FOOTBALL

A picked team of English footballers will soon play teams in the United States and Canada. All of the players are far-famed in Britain. One of the number is Sir Chas. Fitzpatrick.

The team will play Seaford in Detroit one day and a picked team from the Peninsular League the second day.

## ORIOCKET

Montreal, August 15.—Rain to-day stopped the final of the Marylebone Cricket Club match, and it becomes a draw. Montreal led at the end of the first inning by a score of 105 to 103.

## ENGLAND IN THE LEAD.

London, Aug. 15.—(C. A. P. despatch.) England was all out for 430. At 10:00 a. m. Australia had scored 100 for two wickets, and were all out for 363 at the close of the day's play.

The next game the locals will have will, probably, be with the newly organized Blenheim team. It has been suggested that city and county matches be arranged. There are a great number of old countrymen throughout the county who could make a formidable team with which to oppose the city eleven, and if there are not a sufficient number outside of those belonging to the first eleven would bring their number up to the required strength.

Following is the detailed score of the Cleveland game:

## BLINHEIM

Aug. 16.—Yesterday was Erieau's great day, being the 10th annual Scotch picnic. It is said to be one of the largest that has ever taken place. The rain on Monday evening is very pleasant for getting around. Do not forget the only excursion that is to be run from Blenheim on Thursday, 17th, Civic Holiday, to Detroit via P. M. R. R. to Port Lambton, thence by steamer Owana to Detroit, giving four and one-half hours in the City of the Straits. It is to be run under the auspices of the Blenheim Recreation Club.

We are pleased to see by the P. S. L. reports that the pupils from Blenheim and the surrounding schools did so well. Eight pupils out of nine passed from Blenheim.

Mr. W. Kelly, of Olam, England, is visiting his brother, A. Kelly. He came by Dominion Line Southwark, thence R. O. boat via Thousand Islands to Hamilton.

The annual meeting of the shareholders of the Great Eastern Produce Co. will take place on Aug. 30th for the purpose of hearing the financial report, electing directors for the ensuing year and any other business that may be brought before the meeting.

Dr. and Mrs. Story arrived on the Allan Line steamer Virginian last Friday and got to Blenheim on Saturday evening. They were highly delighted with their trip. While away they visited England, Scotland and France. Dr. Story while away took a post graduate course in one of the large London hospitals.

H. G. Irving of the Canadian Bank of Commerce, has been removed to Orangeville.

Mr. and Mrs. H. and Mrs. James, Sr., of Cleveland, Ohio, are visiting relatives in town.

G. M. Baird and John Peters, who attended the Grand Lodge sessions of the G. O. F. held at Brockville last week, have returned and report a pleasant and instructive time.

Mrs. Robert Townsend and children, of Calgary, Alta., who have been visiting relatives here for the last two months, have returned to their home.

Mr. and Mrs. Ira Shaver, Mrs. E. R. VanVelsor and daughter, and Miss C. Fox have returned from spending two weeks at Bide-a-Wee Cottage, Erieau.

Mr. Lewis Baird is spending his vacation with his parents here.

Mrs. J. H. Mann, of Grand Rapids, Mich., is visiting relatives in town and vicinity.

The first meeting of Kent Lodge A. F. & A. M. was held in their new hall over Messrs. Ward & Taylor's store. It is very handsomely furnished and the electrical display is very effective.

Mr. and Mrs. G. F. Goulette are visiting relatives at Midland, Ont.

## SAVES EGYPTIAN COTTON.

Crop a Record One, Owing to the Great Assouan Reservoir.

Alexandria, Aug. 16.—Egypt's official report of the Nile flood, published yesterday, states that the river is very late and low. A "bad Nile" has been declared.

At Assouan the gauge is three metres below the thirty years' average. Cotton, the crop of which has been saved by the Assouan reservoir, is expected to be a record. The cotton worm is practically exterminated. The rice crop has suffered in many places. The sugar crop is late.

Irrigation of the delta and middle Egypt is assured by barrages. In upper Egypt the crops are doubtful, as large areas must remain unirrigated.

## THE BLOOD IS THE LIFE.

Owing to faulty action of the kidneys and liver the blood becomes filled with disease germs that imperil health. The first warning is a backache, dizziness, headache and a lack of vital energy. Act quickly if you would avoid the terrible ravages of chronic kidney complaint. Get Dr. Hamilton's Pills to-day; they cure kidney and liver complaint for all time. No medicine relieves so promptly, nothing in the world of medicine cures more thoroughly. For good blood, clear complexion, healthy appetite, the proper treatment is Dr. Hamilton's Pills. 25c per box, at all dealers.

Fly from pleasure that bites tomorrow.

"Quick lunch" is one of the commonest of city signs. The sign does not say "a healthy lunch of good food"—the character of the food apparently is not considered. It's just a quick lunch—eat and get away. Is it any wonder that the stomach breaks down? Food is thrown at it, sloppy, indigestible and unwholesome food, very often, and the stomach has to do the best it can. Normally there should be no need for medical assistance for the stomach. But the average method of life is abnormal and while this continues there will always be a demand for Dr. Pierce's Golden Medical Discovery. It is the one medicine which can be relied on to cure diseases of the stomach and other organs of digestion and nutrition. It is not a cure-all. It is a medicine designed for the stomach, and to cure through the stomach remote diseases which have their cause in the derangement of the stomach and digestive and nutritive system. It cures when all else fails.

The faultless man is usually friendless.

## MESSRS. C. C. RICHARDS & CO.

Gentlemen—In June, '98, I had my hand and wrist bitten and badly mangled by a vicious horse. I suffered greatly for several days and the tooth cuts refused to heal until your agent gave me a bottle of MINARD'S LINIMENT which I began using. The effect was magical, in five hours the pain had ceased and in two weeks the wounds had completely healed and my hand and arm were as well as ever.

Yours truly,
