harm about her none could resist. The spell of her wondrous beauty affected all who approached her. It lingers in my memory yet, and I would not have the sin of her blood That shone o'er Bethlem's hallowed apon my conscience.

Kiss Me Good-Bye Dear.

That is a phrase heard in the hallway of many a home as the man of the house is hurrying away to exhange daily lapor for daily bread in the mart of commerce. Sometimes it is the wife who says it, sometimes in fant lips prattle the caressing words holding up a sweet flower tace for the kiss that is its warm sunshine of life, heart; at the nerve with which he

love is the dew of life; that the part-How many go forth in the morning

That never come home at night!
And hearts have broken
For kind words spoken
That sorrow can ne'er set right. Make the air vocal with kisses! ed. our face, it is strange that anyone ould couple it with guilt. But I am Many tears have been shed over unonstrained to do my duty, madam, kissed kisses—over those "dear as owever inimical it may be to my remembered kisses after death," but morning tor Seraneum When they your children, men of business, before "Will you allow me to change my your children, men of business, before dress?" she said, in a tone almost you leave home; kiss the mother of pleasant. The hard lines about the your children, and that dear old mother who sits in the chair by the mouth has relaxed, and the passionate mother who sits in the chair by the mother street, and the railway track carried off from the end of the Bitter Lakes. The enemy was seen in large numbers three miles off, retreating northwards.

" For though in the quiet evening You give us the kiss of peace. Yet it might be That never for thee The pain of the heart should cease."

Happiness. It is a mistaken idea, entertained by many, that riches are necessary to perrepresented herself, and had been a tect happiness. It is scarcely neces-resident here almost a year. No one sary to state a fact so well understood, ever suspected her of being aught than that many men and women possessed what she seemed until one day I was of great wealth, are exceedingly unordered to arrest her as a murderer.

It was now alleged that the young the fluctuations and busy scenes of beauty was no other than the woman life, to bring sorrow and discontent to

ces that had come to our knowledge pointed her out beyond all doubt as in a princely income; there is greater treat across the desert to Tel el Kebir. the person we were in search of. Yet the person who had recognized her the evening before at the theatre advised heart, stout limbs, a sound mind and trenchments on their extreme tight us to be careful lest she should escape a clear conscience. Some one says across the sands towards Lake Abouas. I laughed at the idea. When the that good bones are better than gold, kir, probably in consequence of the lady left me I stepped to the window tough muscles than silver, and nerves and said to my mate, who was wait that flash fire, and carry energy to Sunday which threatened to outflank every function, are better than houses and lands. Better than money is a good disposition, and that man is rich almost at the same instant the door who has the courage to keep the even the remainder of the same instant the door.

It is reported that large bodies of Bedouins have crossed the desert from Tripoli to join Arabi Pasha. every function, are better than houses them. of the apartment the lady had entered tenor of his way, whatever may bepened and a youth-apparently a tide. Such a man is rich, though not mulatto boy—came out and passed accounted so when measured by a from which it is surmised that the hurriedly through the room into the money standard, but he stands unhall, and from thence into the street. measurably higher, in point of true douins, reported to be several burden.

Whisky vs. Lager. There is trouble among the whisky ant of theirs. The absence of balloons or the lady is nausually careful about her toilet; and so another hour went by. At last I grew impatient and brooked at the door.

There is trouble among the wiles, and of theirs. The absence of bancons distillers of the United States.
