

KING AND QUEEN SHOT.

How Servian Revolutionists Changed the Government.

People Seem Satisfied, Even Pleased With What Has Been Done.

BELGRADE, June 11.—A military revolution broke out here last night. The troops, who revolted under the leadership of Major Angkovich, surround the palace, assassinated King Alexander, Queen Draga, the latter's sister, the Queen's brother, Nojodenes, Premier Markovitch, Ministers Petrovich and Turdorevich, General Pavlovich, the former minister of war, and some of the members of the royal guard. Prince Karggeorgvitch was proclaimed king. A new government was formed and the following proclamation was issued:

To the Servian People:

Last night the king and Queen were shot. In this grave and fateful moment friends of the fatherland have combined to form a new government. While the government makes this announcement to the people, it is convinced that the Servian people will gather round it and lend it their aid to maintain order and security throughout the land. The government hereby makes known that from today the constitution of April 6, 1901, comes in force. A meeting of the national representatives dissolved by the proclamation of March is summoned to meet at Belgrade, June 15th.

The streets are thronged with people, whose actions seem to approve the coup d'etat. M. Protics, the Minister of Interior, was cheered as he drove to the minister. The new premier belongs to the independent liberal party.

THE PINKHAM CURES

ATTRACTING GREAT ATTENTION AMONG THINKING WOMEN.

Mrs. Frances Stafford of 243 E. 114th St., N.Y. City, adds her testimony to the hundreds of thousands on Mrs. Pinkham's files.

When Lydia E. Pinkham's Remedies were first introduced skeptics all over the country frowned upon their curative claims, but as year after year has rolled by and the little group of women who had been cured by the new discovery has since grown into a vast army of hundreds of thousands, doubts and skepticisms have been swept away as by a mighty flood, until to-day the great good that Lydia E. Pinkham's Vegetable Compound and her other medicines are doing among the women of America is attracting the attention of many of our leading scientists, physicians and thinking people.

Merit alone could win such fame; wise, therefore, is the woman who for a cure relies upon Lydia E. Pinkham's Vegetable Compound.

to the people. The universal anxiety of the governments of Europe for peace is advanced as a reason why the Servian situation is not likely to lead to complications. Should, however, these unexpectedly arise, official circles think, an Austrian-Hungarian army will immediately march into Servia and restore order. This eventuality, however, is considered improbable.

BELGRADE, June 11.—The people received the news of the assassinations, which were perpetrated between 10.30 o'clock last night and 2 o'clock this morning, quietly. The bodies of the King and Queen remain in the palace.

Servia is a small mountainous country of Eastern Europe, separated from Austro-Hungary by the Danube. The whole country embraces but 18,000 square miles, and has a population of about two and a half millions. The country formerly owed allegiance to Turkey, but became independent in 1878. The late King Alexander was born in August, 1876, and was the son of King Milan, the first ruler of independent Servia. In 1889 King Milan abdicated the throne in favor of Alexander, then a minor. Four years later Alexander took the power into his own hands. Three years ago he married Madame Draga. Servia is governed by the king, with the assistance of a council of eight ministers, who are responsible to the people. The legislature consists of the National Assembly and the Senate, both of which must assent to any measure to make it legal. The commerce of the country is backward, the chief trade being carried on with Austria.

True and Unfailing Help For Suffering Women.

PAINE'S CELERY COMPOUND

The World's Medicine for the Cure of Female Troubles.

A large share of the evils and sufferings which women are liable to, result from special female weakness and diseases. From the girl entering womanhood to the woman who arrives at the Grand Climacteric or "Change of Life," there are troubles, ailments are irregularities—too often borne in silence—which undermine the health and result in disease. Where such conditions exist, Heaven help the poor sufferers to fully realize their perils and dangers! It is well known that ordinary medical treatment too often fails to build up the delicate nervous system of woman, and give necessary tone and strength to the

important female organs. The experience of years, medical testimony and letters from tens of thousands of cured women, point to Paine's Celery Compound as woman's friend and life giver. Jessie M. Rose, Quyon, P. B., says:—"It affords me much pleasure to testify to the great good that Paine's Celery Compound has done for me. I was completely run-down in health and a victim of female weakness, and after using three bottles of Paine's Celery Compound I was completely cured. It is the best blood purifier I know of, and I recommend it to all who are troubled as I was."

NO EXCUSE FOR BUYING ANYTHING BUT OGILVIE'S.

The economy of using Ogilvie's flour should be well considered by every housekeeper. It pays to pay more for a flour that will make more loaves of bread to the barrel than ordinary flours. It would pay to pay more, even if the bread were just the same as in ordinary flours. How much stronger, therefore, is the claim of Ogilvie's flour, which not only makes more bread but also makes it of a higher quality.

Always pay as you go, said Uncle Dudley.
But, uncle, suppose I have nothing to pay with?
Then don't go.

Stomach Disorders and Backache

A sufferer for years entirely cured of all troubles by Dr. Chase's Kidney-Liver Pills.

MR. HUBERT BERNHARDT, George St., Calt, Ont., states:—"I was troubled for years with kidney and liver derangements and stomach disorders, and suffered a great deal from pains in the back. My digestion was very poor, gas would form on my stomach, and I would often feel great distress after meals.

Ordinary medicine did not seem to suit my case at all, but I found Dr. Chase's Kidney-Liver Pills both prompt and thorough in their action. They have entirely cured me of my old troubles, my digestion is excellent, and I do not know what it is to have a pain in my back now. I can heartily recommend these pills as a splendid medicine for kidney and liver troubles and indigestion."

Because of their direct and combined action on kidneys, liver and bowels, Dr. Chase's Kidney-Liver Pills cure where ordinary medicines fail, one pill a dose, 25 cents a box. The portrait and signature of Dr. A. W. Chase on every box.
