#### CAUSE OF THE

During the past four years we have heard much of the blame England for the war. He has been of this character to his people who have been ignored by him.

The fact that in 1913, before the outbreak of the war, that she proposed then to attack Germany with a secret military report of the German government making extraordinary preparations for war.

In an interview with King Albert in 1914, the German Kaiser said that the war was certain, and on the side of France various practical measures were taken before the Sarajevo murders.
