It is quite a daily occurrence hear persons say: Oh, what a feeling of distress I have after meaks, fullness of the stomach, heaviness and head of the stomach, heaviness and head ache, I feel too tired to do anything I have no heart to exert myself and at times I care for nothing. I often have a pain in the pit of my stomach, no methods heart heart heats residue on appetite, my heart beats rapidly or the slightest exertion. I feel just as the slightest exertion. I feel just as tired when rising in the morning as when retiring to bed. My sleep is often disturbed, and I often awake with a sense of suffocation and a ia, and says there is nothing like difficulty of again going to sleep. I have to be careful of what I eat, and my life seems a veritable burden. Now, it seems a shame and a pity for persons to be suffering like that when it is in their power to get cured by taking a Bottle of Dr. Stafford's Prescription A.
