Country Crowded With Artillery.

Major E. G. M. Cape, officer commandgives some vivid glimpses of active service conditions. The letter, which was written early in the present month rom "somewhere in France," reads in

"We moved forward again about wo weeks ago to our' present posi-ion. We certainly feel that we have e upper hand of the Hun in every partment. In the air our machines everywhere, bringing us informaon as to the enemy's dispositions and riving away any of his machines hic hattempt to cross the line. We ave all the high ground now; the quence is that the enemy y little chance to observe us either from the air or from the ground. A great line of our balloons stretches away as far as the eyes can reach to a clear day it is possible to count to crom our battery position. The whole country is filled with troops. In from the inferior and fold attillant. the infantry and field artillery, the he heavies and slege, and behind intretching for miles, are camps of n efs and reserves only waiting to take lside and every valley is filled with ops living in all sorts of ways, bu the most part pretty well exposed

Opposed to 820 Gnns.

"You will have read in the pape of the attacks on the supposed in pregnable positions of Thiepval, Moquet Farm, Zollern Redoubt, Cource ette and so forth. These positions, upon which the Germans have spent to years of thought and labor, and which

them. They have never yet had an occasion which they have not risen to and the trench attacked is blotted out | We have had a number of casualties, by a storm of fire, smoke and dust but so far, fortunately, not one man t seems incredible that any human has been killed."-Montreal Gazette,

There are some Newfoundlanders attached to the 107th Canadian Siege Battery, amongst the number being Arthur R. Martin who went to Canada four or five years ago.

BE READY for the cold weather. Get in your supply of Fuel. GAS COKE is an excel-There are, of course, a great many more that we do not know about.

The successes of the last few weeks have been won at a heavy price, but we do feel that we are inflicting greater losses upon the Hun than we are or losses upon the Hun than we are in your order now. ST. JOHN'S

MONEY BACK.

back if things don't suit," our grocer says, in all his ads; but when I bought some wormy fruit, for which I paid scads, he did not cheerfully whiskers he be-WALT MASON gan to comb, and

tightened up his summerbund, and talked until the cows came home. "Those prunes," he said, in heated terms, "were fresh when taken from the shelf," implying that I put the worms into the doggone prunes myself. I pulled his ears and tweaked his nose, and said, "We'll just forget those prunes, but never more, till life shall close, will I spend here my picayunes." A lot of merchants make that bluff, "Your money back, if things don't please," but when you call to get the stuff, they hand you out the sam old wheeze. But now and then a merchant bold makes good and never bats a glim; you say that man's as good as gold, and name your infant after him,
