Lord Lansdowne's Mistake.

New York Tribue: The American people have struck hands with the British in this war because they have believed the essential honesty of what has ben said by British ministers and British leaders from the outset of the war. Lord Lansdowne has injured the cause of the Allies in the United States. He has injured the friends of Great Britain. He has weakened the ands of President Wilson, He has ncouraged those who are employing the tactics of the Bolsheviki in Washnay have done with a high patriotic rpose, but at least there should be
