Local and General Items.

There is a large amount of sickness in London at the present time.

The sale of church property in Italy during eight months realized \$32,282,000.

James Harris, of Hamilton, and John Scott, of Dundas, ran 200 yards for \$50 a side, in Hamilton on Saturday evening. Harris won by four yards.

The Hamilton Times has been informed that a number of cows have died in the neighborhood of Paris, Ontario, of the plague now prevalent in the States. We can hardly credit the report.

FINALLY, FAREWELL.—Mr. Edward Naughton took his departure by the Grand Trunk this (Tuesday) morning for Ireland, where, we understand, it is his intention to remain. He will sail from Quebec at the end of the week.

The London Advertiser says it is currently reported that Mr. Carling will soon accept a portfolio in Sir John's Cabinet. He knows that his stay in the Ontario Government is necessarily hastening to a close.

The old frame buildings in rear of Coffee's hotel, which were destroyed by fire some time ago, are being replaced by a stone stable, 115 feet by 85 feet, one end of which will be on Quebec street. The new proprietor of the "Victoria" proposes keeping an extensive livery establishment.

The Hon. W. H. Draper, C. B. Chief Justice of Ontario, has, after an absence of six months, resumed his duties on the Bench and is now presiding in Chambers. His Lordship's health has much improved during his absence.
