

Partnership. In the Local Legislature on Monday, Hon. J. Gow presented the petition of John Harris et al. for aid to St. Joseph's Hospital and Asylum of Guelph.

Guelph Evening Mercury

TUESDAY EVENING, JAN. 28, 1874

Dr. Orton's Address.

Dr. Orton's address reminds us of the play of Hamlet with the principal character left out. He has made one most important omission, and we refer to it in order that he may supply it in time.

But what about the Pacific Railway Scandal? What about the guilt of the late Government in making a corrupt bargain with Sir Hugh Allan, the consideration being that Sir Hugh would furnish the needed cash to carry the elections of 1872?

But not a word is said about the sale of the Pacific Railway Charter, about the money Sir Hugh Allan paid to John A. Macdonald and his colleagues, about the money that was sown broadcast over the country in 1872, which was used in corrupting whole constituencies, in the hope of perpetuating the reign of a most corrupt and unprincipled Government.

Dr. Orton nimbly skips over the whole subject, he evades the momentous issues which it involves, and thinks the free and independent electors of the Centre Riding will be so silly and stupid as to forget all about it also.

TO BE EXPECTED. Of course we never expected that the Herald would be pleased at the nomination of Mr McKim for the Centre Riding. The intelligence spread consternation through the Tory camp.

EXTENSIVE AND DARING BURGLARIES. Several daring burglaries have been perpetrated at Guelph lately. Plate and valuables have been stolen from the residences of Rev. Mr. Briggs, the Misses Ada and Mr. John Hayden; but on the night of the 9th the most extensive and daring burglary that ever took place was accomplished.

In the Local Legislature on Monday, Hon. J. Gow presented the petition of John Harris et al. for aid to St. Joseph's Hospital and Asylum of Guelph.

Mr. Charles Clarke, M.P.P. for Centre Wellington, will introduce a Bill into the Local Legislature, today, requiring owners of threshing and other machines to take precautions to guard against accident.

Mr. Chas. Clarke, M.P.P., will enquire of the Ontario Government in the House next Wednesday whether it is the intention to extend the ballot in voting to Municipal as well as Parliamentary elections.

In the Quebec Legislature, Attorney-General Irvine has introduced his motion for a Committee to enquire into the administration of justice in the Province, supporting it by a speech showing that he was fully alive to the disastrous state into which the judiciary had fallen, and manifesting a firm determination to use every constitutional means available to remedy the abuses.

The season a boy gave for being late at school was, that the boy in the next house was going to have a dressing down with a bed cord, and he wanted to hear him howl.
