AT IT AGAIN!

TO MY MANY CUSTOMERS. Since establishing a cash business it affords me great pleasure to know that the exertions I have put forth to offer to you, at all times, first-class goods at low prices, have been fully appreciated; and while thanking you for the liberal patronage extended to me I must say that it has exceeded my most sanguine expectations, and to meet the pressing demands of my increasing trade I am compelled to again enlarge my premises. Go where I will through the country I hear of the satisfaction my goods and prices, and one price system, are giving. I have arriving a heavy stock of the same quality of Groceries and Confectionery as before. I beg to remind you that on you depends, to a great extent, my future price and success in business, as the more goods I sell the smaller profit I will require. COMMERCIAL RISKS.

THE Board of Directors of the County of Perth M.P.L. Co., having long felt that the time would come when they would feel warranted in extending the benefits of cheap insurance to the business men of this locality, are now in a position to effect insurance for the commercial community at very reasonable rates. The Directors of this Company feel that at the present time, when stock companies have been inclined to exact rates that past experience has proved are disproportionate to the risk, the business men have now the choice of insuring in a home company that by its past experience affords a reasonable guarantee that in the event of loss no effort will be spared to make satisfactory settlements at once, when no grounds for suspicion exist. The tariff will be in the hands of the Company's Agent in a few days. W. MOWAT, JOHN HYDE, M.D., Secretaries. Stratford, Sept. 26, 1873. 702
