ITALY'S NEW HOLIDAY. Rome, July 11.-The Chamber of Deputies today, by a large majority, approved a motion that Sept. 20, the anniversary of the entry of the Italian troops into Rome, be made a national holiday.

STILL FIGHTING. Yokohama, Japan, July 12.—Seven hundred Chinese attacked Hsinchu, on the Island of Formosa, on July 10. Two hundred of them were killed and many were captured. On the Japanese side the loss was eleven men.

TERRIFIC CONFLAGRATION. Berlin, July 11 .- A disastrous conflagration occurred today at Brotterode, a village in Hesse-Nassau. Three hunared and fifty houses were destroyed, and ten of the villagers were killed while seeking to rescue their valuables. Two thousand people are homeless.

BRITISH CROPS SUFFER. London, July 11.-The Times will say that owing to prolonged drought the condition of all crops except hops compares most unfavorably with the condition prevailing on July 1, 1894. A comparative table gives the following: Wheat, 79.3 in 1895, to 101.8 in 1894; barley, 83.3 in 1895, to 102.9 in 1894, and oats, 76.4 in 1895, to 105.4 in 1894.

NOT JUST YET.

London, July 11 .- The Daily News will tomorrow publish a dispatch from Vienna saying that the Japanese envoy at Pekin was recently instructed to ascertain whether a visit of the Mikado to the Chinese capital would be welcome. The envoy was informed that so long as there was a Japanese soldier in China such a visit could not be considered for a moment.

WINNER OF THE DIAMOND SKULLS.

Menley, July 12 .- In the final heat of the diamond skulls the Hon. Rupert Guinness, of the Leander Rowing Club, beat Guy Nickalls, of the London Rowing Club, the holder of the trophy in the most exciting race of the day. Guinness' time was 9 minutes 11 sec-Nickalls held the diamond skulls in 1888, 1889, 1890, 1893 and 1894. His best time over the course was 8 minutes 36 seconds, made in 1888. When the regatta closed the course became congested with boats and Henley gave itself up to gaiety.

## FOR HOME RULE

Strong Appeal by Archbishop Cleary, of Kingston.

His Lordship's Warm Eulogium of Hon. Edward Blake.

Kingston, Ont., July 11.-Archbishop Cleary has had a circular issued to the ciergy, asking assistance to the Irish Parliamentary party. "In this gravest and most critical day of fortune," he says, "the success or failure of the home rule movement will undoubtedly depend upon the result of the elections that are expected to be held before the close of the current month." Owing to the unpropitious times, his Grace could not think of ordering the diocesan collection, but he deems it right to afford an opportunity to his people everywhere to make an offering to Ireland of their own free will and spontaneous generosity without any demand from him or pressure of any kind, and, therefore he says: "Everyone who finds it in his heart to give little or much of his own bounty to the Irish election fund, may hand his donation to his own pastor, who will forward it to the archbishop without delay, to be transmitted to the Hon. Edward Blake.'

Another paragraph of the circular reads: "Mr. Blake's cry to us for help to bring the elections to a successful issue by supplying the means of contesting a large number of doubtful constituencies and crushing out of political existence the 'nine traitors' who have been devouring the vitals of their country, is notoriously just and true, and it commends itself to the Irish race, all the more because of his remarkable fidelity to the national cause and the brave sacrifices he has made and is still making for the benefit of Ireland. His recent contribution of \$5,000 to the election fund is an act of noble generosity, indicative of the ardor of his patriotism, which entitles him to our ready compliance with his appeal for assistance."

## STATE OF TRADE IN CANADA. As Reported by Dun & Co.'s Commercial

Agency. Toronto, July 11.-R. G. Dun & Co.'s weekly statement of trade in Canada ways: The tenor of trade reports from Montreal would show that there is a pretty general quieting in wholesale business, such, however, as is only ceasonable. There is no doubt that unfavorable crop reports from Western Ontario are affecting orders from that section, but in the Ottawa Valley and the Province of Quebec, indications are promising. The same is true of Nova Scotia and New Brunswick, while parties from Manitoba and British Columbia, who have recently been in the city, express themselves in a hopeful train, stating their belief that business so long depressed, was on the mend. Drygoods payments due July 4 were fairly met, but general collections are susceptible of considerable improvement. The weather, so far, has been favorable to the saving of the excellent hay crop in good order, and prices have advanced. Butter values show some little improvement, but this is offset by a proportionate weakening in Financial circles have been much disturbed by the unfavorable reports current concerning one of the leading French-Canadian banks, but the assistance which it was desired to

extend at a meeting of the general managers, held on Tuesday afternoon, will, it is believed, tide the much-discussed institution over its embarrass-

The business situation at Toronto is unchanged. The disposition is to wait the result of the harvest, which is not very promising in Ontario. The drought continues, and in some localities the farmers are discouraged. But the prosperity of Ontario depends, not so much upon wheat as upon dairying interests. which in turn are affected to some extent by the hay crop. This has been a failure, but fortunately the crop in the Province of Quebec is large, and stocks left over from last season were about

the average. The crop outlook in Manitoba is good, with a large yield of wheat expected. Holders, however, appear confident of a rally in the near future.

For the week ended July 6 the earnings of the Grand Trunk show an increase of \$35,174, as compared with the corresponding week of last year, and those of the Canadian Pacific are \$2,000. The failures for the week are 35, against 49 for the same last year.

Auspicious Opening of the Great Convention.

Gatherings Bubbling Over With Inspir ation and Enthusiasm.

Boston, July 11.-Tent Endeavor, on Boston Common, was filled to its utmost capacity this afternoon at the first service held by the Endeavorers under this immense canvas. There were nearly 11,000 persons in attendance, and it was a gathering bubbling over with inspiration. The interior of the tent was tastefully decorated. Rev. John T. Beckley, D. D., of New York, one of the trustees, presided at this meeting, and George C. Stebbins, of Brooklyn, was director of the large chorus and of the congregational sing-The exercises opened with the hymn "Onward, Christian Soldier," the chorus being led by Winslow Symonds, of West Medford, on the cornet. Rev. W. H. Albright, of Boston, presided over the devotional exercises hich followed. Rev. Elijah Horr. D.D., of Worcester, closed with prayer. Presiding officers then asked all the ministers and missionaries and their wives to rise and come to the platform while "I will sing the wondrous story was being sung, and some 150 1 ed. Then was sung the "Hymn of Welcome," written for the occasion by Rev. S. F. Smith, D. D., author of "America," the audience rising and joining with the chorus. After several welcoming addresses "America" wa's sung, followed by "God Save the sung, followed by Queen," and "Blest be the tie that binds us."

Services in tent Williston opened with the expected large audience. Rev. Wayland Hoyt, D. D., of Minneapolis, presided, and the devotional exercises were led by Rev. Asher Anderson, of Meriden, Conn. A gavel was presented to the meeting, the head of which was made from the wood of one of the news of the Old South meeting house, and the handle from one of the gallery rails of old Faneuil Hall, also a block from the old State House. "The Hymn of Welcome," by Rev. S. F. Smith, author of "America," was also sung here. After the singing of "America" responses to the words of welcome were made by visiting Christian En-deavorers as follows: Rev. W. I. Page, D. D., of Leavensworth, Kas. Rev. W. H. Brooks, D. D., a colored delegate from Washington; Rev. G.C. Kelly, of Owensboro, Ky., and G. T. Ferguson, of Toronto, Ont. After adjournment at noon of the three great nieetings about 50 half hour evangelistic services were held by Endeavorchurches, public buildings ers in places of business, and in the open air throughout the city.

## The Twelfth

Celebrated on a Big Scale in London.

Thousands of Orangemen and Friends in the City.

A Monster Procession Through Dundas Street.

Sixty Lodges Represented-Fife and Drums Galora

"The Glorious Twelfth," with its accompaniments of the ear-piercing fife and the spirit-stirring drum, with its flaring banners and garbs of rainbow hue, is here. When the sky showed blue above and orange in the east, at the break of day, it promised the Orangemen's lucky weather. Soon after the dawn the brethren in the surrounding townships began to pour into the Orangemen's Mecca of July 12, 1895-London. They came not singly, but in battalions. Gaily decorated band wagons from the country rumbled through the streets before most of the staid citizens were astir. The fife and drum awoke many from their slumbers. At 8:45 the first delegation from a tance arrived by an L. E. and D. R. R. special from Elgin county. At 9 o'clock a special from Strathroy brought in West Middlesex Orangemen by the hundreds. Perth county sent an immense crowd from Stratford and intermediate points. At 11 o'clock the Oxford brethren arrived by G. T. R. in large numbers. In addition, all the regular trains were crowded, and by noon several thousand visitors had arrived. Everything pointed to the largest demonstration in years.

The city streets were gaudy with Orange colors and vocal with Orange music. Ladies by the hundreds displayed the regulation badges and ribbons, sometimes coyly arranged to heighten the charms of the fair wearers. The men were resplendent in scarlet tunics or wide orange sashessome bright and shining in their brand newness, others dimmed with the wear and tear of many a Twelfth.

THE PROCESSION. At 1 o'clock the market square and the contiguous blocks were choked with Orangemen and spectators. Hundreds of floating banners lent a gay and lively aspect to the place. It was a difficult but the marshals did their work well, and at 1:30 the procession moved off. It started from King street and proceeded by way of Ridout and Dundas direct to Queen's Park. The order was as fol-

## An Entire Family Butchered by Scoundrels.

Havana, July 12 .- A terrible crime has been committed at Guanajayabo in the Gwanajay tobacco district, about 45 miles from this city. Four burly negroes went to a grocery store at Guanajayabo and without uttering a word overpowered the grocer and his brother-in-law and stabbed them to the heart. The negroes then rushed after the storekeeper's wife and three daughters aged respectfully, 17, 6 and 3 years, with the intention of assaulting them. The woman and daughters made a desperate struggle, shrieking wildly for help. the negroes inflicted injuries upon all of their victims, from which they died. The scoundrels then plundered the grocery store and disappeared. Their crime was discovered by a white man of the country district, who, as soon as he saw the bodies of the victims of the negroes, started for Guanajayabo and placed the matter before the proper authorities. The country man, however, found that one of the little girls was still alive when he entered the store, and it was from her, almost with her last breath. that he obtained the details of the crime. The girl died soon afterwards. The inhabitants of the country around Guanajayabo and the police have started in pursuit of the four wretches, and it is said that they will surely be cut to pieces if captured.

Charlton, a prominent railroad man, who died a few years ago.
