Made by War Secretary

Britain Will Hold Wei-Hai-Wei, But Will Withdraw Troops.

King Edward's First Levee Since His Accession to the Throne-Tolstoi Very III.

London, Feb. 11 .- King Edward's first levee since his accession to the throne, was held in St. James' Palace at noon today, and was an exceptionally brilliant function. The Prince of Wales, the Duke of Connaught, and other members of the royal family were present, and the gathering of the members of the diplomatic corps, cabinet ministers and naval and military officers was unprecedentedly large. The King, who wore a field marshal's uniform, drove from Marlborough House to the garden entrance of the palace, escorted by Life Guards. On his arrival there His Majesty was reach them were unavailing. received by the high officers of the household, and was conducted by the lord chamberlain and the lord steward to the royal retiring-room, where the King was subsequently joined by the other members of the royal family. A procession was then formed and proceeded to the throne room, where the members of the royal family took up positions on the left of His

Majesty in order of precedence.
London, Feb. 11.—In the House of Commons yesterday the war secretary, Mr. Brodrick, confirmed the report that the government had decided to withdraw the British troops at Wei Hai Wei, and to proceed no further with building fortifications at that

place In the House of Lords, Lord Onslow added that the government had no intention of giving up so valuable a colony as Wai Hai Wei. It was extremely useful as a small arms store, for gunnery practice and as a sanitarium. The naval and military officials there had every reason to believe Wei Hai Wei would become increasingly useful and valuable. The Chinese regiment at Wei Hai Wei, Lord Onslow added, would be gradually dis
forts to stop. Mrs. Fichinon saw her daughter's peril and ran after her.

Mabel was blown over the edge of the banded. It had been found that the precipice just as her mother grasped position could only be forfeited at great at her skirts. Mrs. Fichinon could not expense. The colonial office took over the administration of the place Jan. The rumors that Wei Hai Wei, would be returned to China or handed over to any other power were entirely unfounded. The decision had been reached from the view-point of naval strategy, and there had been an extraordinary concensus of naval opinion

in favor of the course adopted. DECISION AGAINST KENSIT, ET AL. Lord Chief Justice Baron Alvertone yesterday dismissed the matter of the objection against the confirmathe Right Rev. Charles tion of A. Gore as bishop of Worchester. The Lord Chief Justice held that the obectors (John Kensit and other anti-Ritualists) had no right to interpose, pointing out that no such interference in the crown's prerogative to nominate bishops had been tolerated since the reign of Henry VIII. The court suggested, however, that it might be lvisable to modify the form of public citation in the case of the confirma-tion of the election of bishops, with

the view of removing the temptation to raise objections at unsuitable times. "OSTRICH," NOT "ANARCHIST." The Paris Figaro gives an explanation of the Vienna report of an attempt on the life of King George of Greece. A Paris newspaper reported that the king had been attacked by an ostrich, at the Athens "zoo." Paris a summary was telegraphed to an Austrian news agency, which telephoned it to a Vienna newspaper. The latter dated it from Athens and put in that an anarchist had tried to stab

A special dispatch from Rome says that at a meeting of representatives of Italian lodges of Freemasons it was decided that Italian Freemasonry should cease to be a secret society. The rate of discount of the Imperial Bank of Germany was today reduced from 31/2 to 3 per cent. At Sofia, Bulgaria, the Macedonians utilized the occasion of the funeral today of M. Kamtcheff, minister of

public instruction, who was assassinated on Thursday last, by making a political demonstration. They gathered in considerable numbers and fired volleys from revolvers in all directions. As far as known no one was wounded. The reassembling of the Brussels sugar conference has been postponed till next Monday. Mr. George Cadbury, who has bought the London Daily News, will make so-cial reform a feature of his journal, and exclude betting and turf news.

Substantial Results of Kitchener's Round-Up, Though Dewet Escaped.

Greatest Single Capture of the Enemy Since the General's Arrival in South Africa.

London, Feb. 11 .- A strong force of Boers attacked and captured 60 donkey wagons under the escort of 100 infantry and 60 district mounted troops, thirty REACHED THE miles from Fraserburg. The Boers were unable to move the wagons except twelve, and the remainder were burned. Col. Crabbe arrived and drove the Boers north after a severe engagement. In the attack on the convoy two officers and eleven men were killed and one officer and forty-seven men were wounded. The Boers lost twenty-four killed and forty-seven

wounded. None were captured. One hundred men of Doran's column were rushed at night near Calvinia. During their retirement on the main body three officers and three men were killed and seventeen wounded.

LAAGER SURPRISED. Major Von Donop surprised Poet-geiter's laager at Rhenoster Spruit and a Free State laager at Zandlingsfontein, simultaneously at dawn on Feb. 8, killing two Boers and capturing 36. Poetgieter escaped in his shirt-

GREATEST SINGLE CAPTURE. Lord Kitchener's great plan, which he has been elaborating for months past, failed by the escape of Dewet, but was successful in the greatest single capture of Boers since Kitchener arrived in South Africa. Altogether 23 columns were employ ed in an immense irregular parallelogram formed by the lines of blockhouses and the railroad between Wolve Hoek, Frankfort, Londley and Kroon-stadt. Lord Kitchener gives the Boer casualties a total of 69 killed, 17 wounded, 57 surrendered and 574 taken prisoners. The British captured 480 rifles, one pom-pom, and the usual grist of munitions and live stock.

OPINION IMPROVED. Lord Kitchener's report shows last week to have been the liveliest week, with the heaviest losses on both sides, for several months past.

The Vienna correspondent of London Times sees improvement in the continental opinion of England. suggests that domestic politics are a sad weight in the peace proposals. Public opinion in Holland is awakened to the fact that it had been misled regarding the war. The Cologne Gazette has exposed the wholesale manufacture of lies which has been contributing to the continental Anglophobia. A dispatch from Cape Town to the London Times says that the leading

Germans there protest that they were

not aware of the nature and extent of

the slanders against the British army until the receipt of the recent numbers of the Times. ANOTHER CANADIAN DEAD. Ottawa, Feb. 10.-A cable was received at the militia department today from Cape Town notifying the department of the death of Thomas Trickey, of the South African Constabulary from enteric fever. He was reported dangerously ill a few days ago. His father is Henson Trickey, of Beulah, Manitoba. Egan Hodgekinson, of Kincardine, Ont., and Robert Thomas Stobo, of Scarboro, Ont., also committee.

TRIBUTE TO DEWET. The newspapers, while expressing disappointment at the failure of Lord Kitchener to capture Dewet, pay just tribute to the skill and daring of the Boer general. The Daily Telegraph says it is quite impossible for any Englishman to refuse admiration for the latest exploit of the most extraordinary personality by far whom the war has produced upon the Boer side.

PROTEST AGAINST SLANDER.

At a mass meeting in Cape Town a resolution of protest against the slanders upon the honor and conduct of the British forces in South Africa was adopted. The meeting expressed its warm appreciation of the complete refutation by Mr. Chamberlain of the continental slanders, its cordial concurrence in the attitude of the government concerning the prosecution of the campaign and its adherence to that policy which the meeting alone con-

# CENTURY MARK.

Deaths of Five Centenarians Re-

corded Here in Six Years. Two of Them Had Reached the Extraordinary Age of One Hundred

and Four Years. The death of Mr. John Toohey yesterday, at the remarkable age of 102 years, again calls attention to the fact that, despite the nostrums designed to cure all human ills and the multiplicity. of "treatments" for prolonging life, very few people reach the century mark. Death has a habit of disregarding nostrums. Stories of the extraordinary longevity of negroes in the south occasionally go the rounds of the newspapers, but for the most part they are unreliable. Cases of extreme long-

evity recorded in Ontario are, however, usually to be relied upon. City Clerk Kingston's register shows that, in addition to that of Mr. Toohey, during the past six years the deaths of four persons who lived beyond the hundred-year mark, have been recorded in this city. Patrick Delay, who old. Mary Goff, who died Jan. 1, 1899, had reached the age of 100 Miles McLaughlin died on Oct.

We therefore request the stationing committee to return you to us as our pastor for
