The town was terror-stricken when the citizens aroused by Miss Cheeseman, peered from around corners and behind any shelter that of fered, and saw the bank all lighted up in the middle of the night, and strange, desperate-looking men in shirt-sleeves rolled up at work under the flaring gaslight preparing to blow the safe, while five other desperadoes, with drawn revolvers, patrolled the street in the vicinity to repel attack. The gang was composed of ten men, two of whom did the dynamiting, and three stood guard along the line of re-treat to cover the "get-away." They walked into town, coming boldly through Main street, and with an understanding of the lay of the land that indicated careful planning, and that indicated careful planning, and stopped directly in front of the bank building. L. N. Pierce, who lives on the south side of Main street, not far from the bank building saw the men on the veranda of his home to watch them. The Best Place to Buy Handkerchiefs

To the average man a handkerchief is a handkerchief-just a plain, everyday, necessary handkerchief-nothing more. But a woman has very different ideas. To her a handkerchief is more than a necessity. It is an article of fashion and she is very careful to select only dainty, stylish handkerchiefs, for they're noticeable articles, you know, and a poor handkerchief would not look much better than an unbecoming hat. Now, we believe the best place in the city to buy handkerchiefs is here. Probably you have the same i lea. If you haven't we would like to convince you. Well, no matter what your ideas may be, we invite you to visit this section and see the newest styles which are represented in our fall importations. Come. These lines are mentioned today:
