# BRITISH POLITICS

They Are Occupying a More Important Place Than Ever

AMERICAN INFLUENCE

formance by Virtue of Wit and Mentality.

the feminine personality is coming into Paris, April 27.-Never was the inter- British politics, and here, as in Amerest of Parisians in spiritualism greater ica, women are exercising a more direct ment of feminine culprits, which, howthan at present, declares Camille Fram- influence than ever before. Undeniably they constitute an appreciable consideration in the destiny of the country vote more consideration to 'he philos- and the importance of their part grows and shape their policies accordingly. With the assembling of Parliament forth any definite principles concern- after the Easter holidays the feminine ing the hereafter, but a long record of factor is probably stronger in English politics than it has ever been in the history of the Empire. An uncertain history of the Empire. An uncertain situation has been brought about by the new complexion of Parliament. resignation of Bonar Law and the rise of

and one in which the women of England occupy an important place.

Many Women Who Count. Naturally the emotional effect of this Naturally the emotion of the emotion

Austen Chamberlain, with many influ-

ential women in his family connections,

In the foreground are women of various political and social standings, but women whose power strangely oscillates in almost the same manner as the force of the more bloom and additional life. of the men high up in political life. In this group there is a decided American atmosphere, for it includes women of American birth, and all play their part as American women are doing in the United States today. It is an honorable, high-minded endeavor to be of service in the largest sphere of activity that woman in the two great English-speak-

ing countries has assumed. Standing above all women in English politics today are Mrs. Lloyd George, wife of the premier, and Viscountess Astor, the only woman member of Parrien developed unprecedented powers as a somnambulist. Lost and misplaced articles have been found by this girl with the atmost ease while the smallest lish politics she may now be called the with the utmost ease, while the smallest details of the doctor's daily visits are real "Lady of the Land," with the Queen beside the King on quite another

as a medium that she is requently asked by the police, and is reported to have forced a confession from several tion of President Harding's wife. She There is much about the premier's dangerous criminals by rebuilding the is, as one writer on Downing street said, case while in a trance. This is not ad- "very simple; just what I like." She is gradually but certainly emerging as a to the French law, but the girl's friends character at once simple and large, converify it, and declare that she has been spicuously genuine and inconspicuously offered large sums to leave Nantes and competent in the romance of modern pooffered large sums to leave Nantes and competent in the foliation of the enter the service of the Paris prefet ure littical life. This is the secret of her completely successful apprehension of a position-the most vulnerable open to a woman in this country-to which she did

> Mrs. Lloyd George's Part.
> Since the premier's family has moved to Chequers she has come more and more to the front as a charming host-ess, a capable wife and an intelligent assistant, if not an adviser. She is in many respects to Mr. Lloyd George what Mrs. Harding is to America's president. The old tinsel days of Downing street, set up by Mrs. Asquith, have gone, but in their place has been created the influence of Chequers, probably as much broader and brighter to the women of Ohio. England as Chequers is to Downing dap at Delmer.

Northern Manchuria, has crept southward until it now threatens the main grain supply of China, according to a letter received by G. D. Gold, of the Young Men's Christian Association, from Harbin, Manchuria, where Mr. Gold was stationed during the latter part of the war. Unless the plague can be checked, Mr. Gold asserts, the granary relied upon for the relief of millions of famine victims in North China will months, Mrs. Lloyd George for the first months, Mrs. Lloyd George for the first time took an active part, canvassing for

000 Koreans, and thousands of Chinese who formerly lived in Siberia, but who credit many brilliant performances who formerly lived in Siberia, but who have been driven into Manchuria by the which have been a decided force to the argument that women have a high place to fullfil in politics. When she rises in in cities and towns along the Chinese Eastern Railway to combat the
plague, hospitals being established,
work among women here has given her command a respectful audience and her work among women here has given her Efforts leadership which, for actual service, has no parallel in English history. She has also are under way to fight the source of the disease—the rats that carry the germ. Thousands of persons already have died, and been given hasty burial. Strict regulations have her, and Americans in England are allowed to the fight the source of the dramatic. Her political antagonists in the House respect her, women like her, and Americans in England are allowed. ways pleased to remember that she was born and raised across the Atlantic.

Mrs. Austen Chamberlain Mrs. Austen Chamberlain is a sterling character in the background of poli-tics, but her duties as the wife of the leader of the strong Unionist party are bound to bring her to the front rank of politically important women. She is called a "children's woman" and perhaps has a natural instinct to retirement. As one writer said of her when Mr. Chamberlain was selected: "She is a lover of books, of her husband, of her home, in a word—of duty." This kind of woman, again that simpler influence which Mrs. Lloyd George typifies, is what many political leaders think is needed in politics here. The days of old have given place to something more serious and more dignified if not less

fellie Farren and Fred Leslie and their is called a tower of strength to her party. Lady Derby has a high concep The performance met with a mixed reception, and all London is waiting to see how the experiment turns out.

There were many distinguished receptions and gifts of entertaining. Lody.

Among those rapidly rising in this category is Lady Cunard (Mærde Burke, daughter of the late E. F. Burke of plications made possible when produced at a European Los Angeles called "Table d'Hoteville." Marguerite is a Mary Pickford, and Faust is a sort of Douglas Fairbanks, even to his acrobatics. The dancing was excellent.

After the last curtain the "boohs" and shouts of approval were about evenly divided. Mr. Grossmith blames the boohs on the undue length of the perloses none of her power as the younger ormance, but says that they, too, women rise. In the ranks of the "doubt-how a healthy revival of an old Gaiety ful" younger women is Lady Cynthia Mosley, who has an American "dash," inherited from her mother, the late Lady

# SCHOOL FOR WOMEN

French Prison, Built in 14th Century, Reeking Pile Used for Feminine Culprits.

Paris, April 27.-An investigation into

conditions in the ancient prison of St. Lazare, where women of all classes are LONDON, April 27 .- More and more retained pending trial, has opened the eyes of French sociologists to the neces sity of a prompt revision of the treat ever, seems impossible, as the authorities have decided it will take at least four years to build a new prison, and county police magistrate are still on as the rulers of the state realize this in the meantime no prison is available save this fourteenth century structure. The first principles of social reform have been absolutely overlooked in the party forego, placing their successors fallacious nonsense and cannot be maintenance of St. Lazare. Women of in nomination until the Hon. Mr. Drury legally practiced whether believed in or

stances are wooed back to a life of shame by older prisoners, some of whom commit petty crimes merely to gain entrance to the prison and recruit new members for the Paris under-world.

Representative Cameron.

Will Hear Complaints.

Will Hear Complaints.

The police commission will hold a special session Friday afternoon and will consider any complaints which may be made by aggrieved parties against the entire police staff or any capacity was dropped. world.

suggested to organize temporary jalls magnetiate maxwell, secretary of the for women prisoners, each under the board, has had no official communication of trained social workers, the more serious cases to be directed to a detention prison in the suburbs to await detention prison in the suburbs to await trial. But this will cost millions, and until Germany keeps faith France has no money to spare, even to save the reputation of her vanen, who would thus be better guided

GUELPH PRINTERS' SCALE. GUELPH, April 27.—The Guelph newspaper publishers have just completed a new agreement with the Guelph branch of the International Typographical Union, fixing the scale for one year from May for all journeymen newspaper printers at a minimum wage of \$32 a week. They have also agreed on the 48-hour week, and employees will receive time and a half for all overtime work. The job printers and owners of job offices are still negotiating.

DEATH OF MRS. J. A. BROWN.

INGERSOLL, April 27.—An illness of several weeks' duration terminated today in the death of Mrs. Brown, widow of J. A. Brown, who passed away at the home of her daughter, Mrs. W. A. Elliott, Oxford street. She was in her 78th year, and had resided here for the last ten years. She formerly resided at Brownsville, and was very widely known in that district. Her husband predeceased her seventeen years ago.

Harvey Oke, Union, are brothers, and Mrs. Nathan Mrs. Nothers, and Mrs. Nothers, and Hunt, Union, and Mrs. John O'Brien, Niagara Falls, are sisters. Interment will be made in Union Cemetery Friday afternoon.

Remembered by the Klng.

Miss Forsythe, Maple street, C. A. M. C., who has been in active service in France for three years, received a reminder of her meritorious work overminder of payments over a period of 20 years. known in that district. Her husband predeceased her seventeen years ago. Besides her daughter, she is survived by two sons, Calvin B. of Aylmer and Miss Forsyth from the British war office.

The honor is the more gratifying when the mark of appreciation ago. Interment will be made on Fri-

duced a bill ratifying the agreement concerning the Guelph Railway.

The date with the class we have a complex to the first train for a couple of hours this mornarcher complicated, and the magistrating. Another engine was sent down will give judgment next Wednesday concerning the Guelph Railway.

### **BUBONIC PLAGUE** INVADING

Creeping South From Man-

churia, It Threatens Main Grain Supply. New York, April 27.—Bubonic plague, which some months ago appeared in Northern Manchuria, has crept south-

of famine victims in North China will months, Mrs. Lloyd George for the first be cut off.

"The situation is rendered more serious," said Mr. Gold today, "by the fact that Manchuria is literally crowded with foreign exiles. There are not fewer than 600,000 Russians, who fled before the Bolshevik executioners, 250,-000 Koreans, and thousands of Chinese woman of England. She has to her

Red armies. the victims isolated. also are under way to fight the source been put in effect to prevent affected persons getting beyond Harbin, and officials at Mukden, the next big centre to the south, are on the watch for the first appearance of the

plague. "If the grain supply of Manchuria is cut off, the famine victims in Shantung, China, Honan, Shensi and Shansi will be doomed. Manchuria representatives of the American Red cross, the Chinese Red Cross and the Y.M.C.A. have informed the Pekin authorities of the danger and urged that grain buying and shipments be bestered."

### **LONDON GAIETY REVIVES** RHYMED BURLESQUE

LONDON, April 27.—The Gaiety
Theatre reverted to type this week
when George Grossmith and Ernest
Laurillard produced "Faust on Toast,"
a type of rhymed burlesque which made
the Gaiety famous in the old days of the Gaiety famous in the old days of political functions. Lady Londonderry

There were many distinguished persons among the first-nighters, including Premier Lloyd George and his daughter Megan, Sir Eric Geddes, Sir Robert Horne and Lord and Lady Lee of Fareham.

to the feminine force with her beauty, charm and gifts of entertaining. Lady Birkenhead is known for her "smartness," and, while Lady Askwith is a different sort of personality entirely, she is almost equally important.

Among those rapidly rising in this

divided. Mr. Grossmith blames the formance, but says that they, too,
