### 57TH YEAR. NO. 23181 Just Today-

Somerville Fight Goes Well Now.

He Was Fair Employer

Riordon Explanations Do Not Satisfy Canadians.

THE C. R. Somerville campaign goes well in London. Committee rooms are nightly the scenes of meetings of workers. ed daily because men and women are coming in and volunteering to help.

That is the spirit that wins that in C. R. Somerville they have a candidate they can back to the limit.

In all the dealings the candidate had with his employees during the time he was in business in London he was fair and above board.

He paid the best wages he The rate of wages is largely governed by the competi- houses. tion in similar lines of business, but from the day he started in houses about 16 per cent. It is the

And during all those years, C.
R. Somerville never had a labor dispute, let alone a strike, in his establishment.

asset his ability to work and his ber cent for 20 years.

Decides to Cut Price. unbounded confidence, he started his paper box business. His cash assets then were next to nothing

some of the first employees.

C. R. Somerville appeals for your vote and for your confidence.

He appeals to all classes for support, and he will get support from all classes. He knows what it is to be up

He knows what it is to succeed and keep his head through suc-

And so it is today that the workers who are coming to his assistance are doing so cheerfully, eagerly, and without any hope or promise of remuneration. Their efforts are the truest compliment that could be paid to a worthy citizen.

It is expected that fully 1.500 to 1.800 Shriners will attend the fall ceremonial of the London Mocha Temple, to be held in the city Wednesday, Dec. 7.

On that day Shriners from all over the country will be the guests of the London nobles.

The shrine is termed the playground of Masons, and the ceremonials are for the purpose of putting cares away and enjoying a few hours together, the pleasures provided by the London

worthy citizen. THE man on the street is not lowship will reign supreme among the satisfied with the combined The business session will commence Riordon concern.

And I believe that all this can be traced to the fact the proposal state of the city will not run smoothly and the people will be discontented with the great difficulty of getting good men to off

### Chamber of Commerce Will Canvass City To Aid"U"Bylaw

London mother than her own home; and no more favorable time than the period which comes just after the supper hour, when her children are all gathered about the big family table, preparing their essons for the next day at school. Yet I was fortunate enough to find Mrs. John Rose, president of the Union Mothers' Clubs of the city, under just Such circumstances.

There was big brother, knitting his brows over some problem which West-

ern University had propounded: there vas wee brother industriously cutting out and pasting for some school bazaar; there was sister busy, too, at her books whatever they may have been, and last of all, there was mother, overlooking the whole scene and ready to the whole scene and ready. whole scene and ready to help when help was needed It seemed almost a sacrilege to in-terrupt her when she was engaged in

such an important task. But I took courage from the fact that a mother, and moreover a mother who, by her office, represented all the mothers of the city, would surely have something worth while to suggest along the lines of a better London Deplores Over-Organization. Quite in keeping with her character is a mother, Mrs. Rose deplores London's over-organization which supports

at least one club for each member of the family even to the small 10-year-old son with his "Boy Scouts."

"I would make a plea for one organ-

The first report showed that the butter fat of seventeen dairies was between 3.10 and 4.00 and that nine are over 4.00. One had bacteria of 90,000, women of the future will be keen stuone, 50.000, seventeen, 5,000, and eight dents of citizenship if the people of London today recognize the girls of the city as potential voters and undertake same and the third showed one supply to instruct them in citizenship. Great with 1,3000,000 bacteria and his supply things could be done along these lines was stopped. One had 100,000, one 30,ity and no better place for instruction could be found than a communit ter, housed in the public school.

Deplores Attitude. Mrs. Rose believes that there should be a change in the attitude of some of Harold Shillington, the 25-year-old conditions shall never again exist.

"We must expect big things of our ublic officials if we would "Tuesday morning."

on the ground that the board of education of 1922 will be faced by an unusually extensive building program and contending that the many years of experience on that body by Chairman Rowe is essential, two or three representative bodies of taxpayers approached the latter both last week and on Monday, asking him to stand again for election.

While promising to give the matter due consideration, Mr. Rowe feels that although he shall always have the interest of the schools at heart, he feels that his several years as trustee amply covers his quota of endeavor.
