WHY A. T. RESIGNED.

The resignation of the Rev. A. T. Sowerby from the pastorete of the College street Baptist church, Toton to, is due to a difference of opiniot between the older and the younge members of his congregation. The latter, who had the support of Mr. Sowerby, desired to hasten the payment of the debt on the church, and for the present, do less for mission work, while the former were of the opposite opinion. A sharp conflict inctween the two factions ended in Mr. Sowerby's resignation.
