BOARD OF TRADE.

BOARD OF TRADE.

At the regular meeting of the council of the Board of Trade yesterday morning, a communication was received from the managing editor of the Journal of Commerce results from the convention of the Northwest Baptist Association now opening at Everett.

MR. M. STROUSS has established himself in the wool, hides, pelts and tallow business at 19 Yates street and solicits consignments and correspondence. He offers the highest market prices for all the articles of commerce in his line.

BOARD OF TRADE.

At the regular meeting of the council of the Board of Trade yesterday morning, a communication was received from the managing editor of the Journal of Commerce requesting an expression of opinion on the desirability or otherwise of Newfoundland being received into the Canadian confederation. The live question thus introduced was debated for a time by the council, but in view of the insufficiency of the information in possession of the council it was decided not to commit the board to any definite expression of opinion regarding Newfoundland.

The live question thus introduced was debated for a time by the council, but in view of the insufficiency of the information in possession of the council it was decided not to commit the board to any definite expression of opinion regarding Newfoundland land when in Australia together, that two would see the English-speaking people at home wherever that language is spoken. We expect of course to publish the impressions of our travels, and for the book on Canada I have been making sketched the impressions of our travels, and for the book on Canada I have been making sketched the species of the scenery. Here is a sketch made from the window of our hetel in Vancourer which give the impre

of the board asking the Dominion government for the usual subsidy of \$3,200 per mile toward securing the extension of the E. & N. railway to Comox, the department of Railways and Canals acknowledged receipt of the board's letters and telegrams and an counced that consideration would be given them. The Nanaimo board endorsed the resolution and added as a rider the suggestion that in the event of a subsidy being secured the E. & N. Railway Company should throw open their lands to actual setlers at \$1 per acre. Neither of the Main-Instructions have been given Mesers. land boards supported the resolution of the Victoria and Nanaimo boards in this con-

deposited in the grave by each member. The following gentlemen acted as pallbearers: Capt. Bendroth, Capt. Newby, Capt. Holney, Capt. Anderson, Capt. Butler, and Capt. Johnson. There was a large attendance of sympathizing friends, and the floral offerings were very numerous.

In explanation of the necessity for the purchase of additional wire, the electric light committee explained at the last meeting of the city council that when they were was considered sufficient to complete the entire work. "Mr. Stickles" estimate of the quantity required." said the report, "was five miles, provided the old wire to be taken down was sufficiently well preserved to be used again. Mr. McMicking's estimate was seven miles and Mr. Cartmel said he considered eight miles would be better, as no doubt unforescen shortages might oreep in.

DAIRY FARM *-FOR SALE

LANGLEY PRAIRIE

One of the best Dairy Farms in the Province. There are 125 acres of land; about 50 acres in hay meadow; 2 acres of bearing orchard; 60 acres of good pasture. The Comekl River runs through this property, and there is always abundance of water for cattle, etc. There is a large house; 2 large barns; good dairy čellar; a blacksmith's shop; large wood-shed; hen-house and piggeries: 2 good hen-house and piggeries; 2 good wells of water. There are 20 cows; a thoroughbred Jersey bull; some young stock; 3 horses; 50 pigs; chickens and ducks. One Toronto mower. horse-rake, hay-fork, plows, harrows, wagon, buggy, harness, and every-thing for a well ordered farm. All of which will be sold with the place if purchaser so wishes. A daily boat runs to New Westminster, 15 miles distant, and there are good roads. This farm is above high water, and is close to school, churches and post office. The municipality is free of debt and taxes are low. For further
