We don't ask you to encourage home industry,—we ask you to see the quality of goods we manufacture and get our quotations. Goods manufactured by us are considered High-Grade in the leading cities of Canada. Foreign woods imported direct from the south.

MAIL ORDERS

We solicit out of Town orders, which receive our personal attention. The length of time taken to fill orders is governed very largely by how busy we are in the department of our factory in which the particular goods are made. While we have exceptional facilities for promptly turning out goods, it is important to place orders as far ahead as possible. Orders are filled by us in the rotation in which they are received, and customers can always depend on our doing everything in reason to give prompt dispatch.

OUR OFFICE IS CONNECTED WITH THE N. B. TELEPHONE BY TWO SEPARATE LINES INSURING PROMPT ATTENDANCE.
OFFICE HOURS—7 A. M. TO 6 P. M.

IS ARRESTED ON A SERIOUS CHARGE

A. Elsiger Charged With Assault and Threatening to Shoot With a Rifle.

CASE CONTINUED

On Monday evening Constable Mann arrested Alex. Elsiger on charges of assault and threatening to shoot. He was arraigned before Police Judge Matheson on Tuesday and pleaded not guilty. From the evidence it appeared that Elsiger had taken a dislike to a dog owned by Mr. John White and had threatened to shoot it. At the latter end of October, he had been hanging around Mr. White's house with a gun presumably to shoot the dog, and had pointed the gun at Trevor White and told him to put up his hands or he would shoot. Later on it appears he followed a younger son out towards the shooting range and wrested his rifle from him. Some time later the dog died having been poisoned by some one. The case was continued till Saturday, accused being let out on bail.

ENJOYABLE FUNCTION AT NEW CARLISLE

Presentation Made to Retiring Rector of Parish of St. Andrew's

THE ADDRESS

A very enjoyable Harvest Thanksgiving Service and Supper took place at New Carlisle on the 8th of October. The Rev. R. J. Coleman, M. A. Rector of Dalhousie was the preacher and was assisted in the service by Rev. E. A. Dunn, Rector of New Carlisle and the Rev. A. J. Vibert the Incumbent of Shigawake.

After the service supper was served in the large and spacious parish hall, and at the close the following address was presented to the Rev. E. A. Dunn who left the next day for his new parish of Bergraville.

The address read as follows—
To the Rev. E. A. Dunn, M. A. Rector of St. Andrew's church of New Carlisle, and St. Peter's of Paspébiac.

Rev. and dear Sir:
As you are about to leave us to take up duty at Bergraville your parishioners wish to express their regret at your departure from among them. The cord that naturally binds the pastor to his flock and vice versa is a very sacred one; when that tie is broken the shock is a very painful one, but as in this instance your removal from our midst is as we understand caused by your wish to be near the Lord Bishop (your kind father), in order to render him all the assistance you possibly can in his declining years, the motive is a good one and your paramount duty, and it we bow, feeling full well that your being so near him will be a service not only of pleasure and comfort, but of great helpfulness in the performance of his arduous duties.

We cannot see you leave without expressing our most grateful thanks for your zeal in the performance of your duties as our rector, the many improvements to St. Andrew's church, the creation of a new parish hall and horse shed at New Carlisle, the promotion of the restoration of St. Peter's church at Paspébiac and the great improvement to the rectory all stand as evidence of your noble work, and in a crowning feature in your administration of our finances. When you came the finances of part of the parish were comparatively speaking in a state of bankruptcy, whereas now everything is so much improved that we can see our way more clearly.

To dear Mrs. Dunn we also wish to express our sorrow in parting with one who has made herself so affable and such a good worker in all things connected with the welfare of the church.

As a small token of appreciation of your work in this parish we beg to tender you this subscription in coin.

Trusting you will feel sure that your parishioners here will ever retain for you and Mrs. Dunn the kindest of feelings and that our prayers will daily be offered for your happiness.

Wishing you and dear Mrs. Dunn much happiness and prosperity and that you may have every success in your new parish.

The above address was presented together with a purse of gold containing the sum of \$100 on behalf of both congregations.

The Rev. E. A. Dunn made a feeling reply, after which the National Anthem was sung and the evening was brought to a close.

THE TOWN AT LOG-GERHEADS RE STREET

Barricade Erected on Rosebury St. on Saturday Does not Last Very Long

WHAT NEXT?

The Town Council and Mr. S. M. Moores are having strained relations regarding ground used for street purposes on Rosebury Street. Mr. Moores owns the lease of a piece of ground over which the street passes and offered it to the town for sale. Their price to Mr. Moores was 40 cents per foot while his price is \$2600. Negotiations falling through Mr. Moores erected a barricade across the street on Saturday evening, blocking off the approach to the subway, but it was only up about an hour, it being removed by instructions from the town. A special meeting of the Council was held on Tuesday afternoon to consider the matter and it is expected that negotiations will be again opened to get the business settled. What is the only interesting feature of the matter is the fact that in 1903 this same land was offered to the town for \$350 and refused.

MIGHT HAVE BEEN GRAVE FATALITY

Two Men Have Narrow Escape From Drowning While Out Duck Shooting

GUN WENT OFF

On Tuesday evening Art McKenzie and Wm. Fraser left here in a canoe to do a little wild goose shooting. When in the middle of the channel a flock came towards them and McKenzie reached for his gun which was lying in the bottom of the canoe ready cocked. By some mischance when lifting it, the trigger fell, exploding the cartridge and knocking a hole in the bottom of the canoe. The water rushed in at an alarming rate and the men made for the Point la Garde side of the river. Very soon the canoe filled and overturned McKenzie getting on top while Fraser remained in the water at the bow holding on. After being over an hour in the water they successfully made a landing, and are now none the worse of their adventure.

GIRL FOUGHT AT HER LOVER'S SIDE

Servian Typist Named the "Queen of the Army"

London, Nov. 7.—The Daily Mirror's correspondent with the Servians in a despatch from Vranja, says:

No more romantic incident has been recorded in this war than the bravery of Sophie Lobitzka Jevnovitch, a beautiful brunette, aged 22, a Belgrade typist, whose sweetheart is a law student.

The student, whose name is Michael Stepanovitch, joined the army as a volunteer and Sophie tearfully pleaded for permission to join also, but the authorities were obdurate. She threatened suicide and permission ultimately was given.

"She donned a uniform, had her hair cut and joined her sweetheart at Merderi.

"Sophie fought among the bravest in the skirmishes with the Albanians and has been named the 'Queen of the Army.'

"Michael declares he will marry his heroic bride at Uskub, and that the wedding ring shall be made from a Turkish gun."

MISS GRENIER STILL IN LEAD

Not Much change in Standing This Week.—Miss Hamilton Now Second.

WEATHER BAD

The weather for the past week has been worse than bad. It was simply impossible for the contestants to move about, so the number of votes polled was small.

With clear cold weather some improvements will no doubt be manifested. There are only five weeks more, so all should plan to make the best use of the remaining time.

This week several new subscribers remitted direct without voting. These can still vote by filling in a coupon published in this issue and forwarding same to Contest Editor.

The standing up to last night was as follows:

Miss Lydia Grenier,	23,000
New Carlisle	
Miss Ella Hamilton,	17,750
Point la Nim	
Miss Juliet Cyr,	15,250
Rivestau LeBlanc	
Miss Ruth Donnelly,	6,625
Jacquet River	
Miss Alice Robertson,	2,000
New Richmond	

S.S. ROYAL GEORGE RUNS AGROUND

Vessel Runs Ashore at Laurent, Island of Orleans.

Hard and fast on the rocks at St. Laurent, Island of Orleans, is the Royal Line steamer, Royal George, bound from Bristol to Quebec and Montreal, with nine hundred and two passengers on board, as well as a general cargo. The vessel ran aground about half past five o'clock, Wednesday afternoon, and her position is a bad one in view of the fact that she is so far in shore. The vessel went aground at low tide, and during a heavy and thick fog.

The pilot in charge of the vessel at the time was, Mr. Sam Rioux, an old and experienced navigator, and he is still with the vessel.

What was the actual cause of the accident has not yet been made public but various reasons are ascribed, one of which is to the effect that possibly the pilot mistook a cottage light for the buoy light on the St. Laurent wharf. Yet another is that the light of a barge moored at the wharf was mistaken. These conjectures, however, will only be accurately developed when an investigation into the mishap is held.

When the vessel grounded there was absolutely no excitement on board as none of the passengers were aware of what had happened for fully half an hour after the occurrence, and even when they did become acquainted with the same they took the situation in a philosophical manner.

There are about five hundred passengers on board, but these it is expected, will be brought up this afternoon by the ferry steamers Polaris and Pilot.

The tugs which went to the vessel's assistance are all anchored in the vicinity, unable to get near the ship, the difficulty being enhanced by the very high wind and rain storm prevailing, which precludes all efforts for approach.

While it is hoped that the steamer may be safely floated, yet there is a fear expressed among shipping men that she will become a loss. One of the reasons expressed in a hope for the opposite, however, is the fact that while the steamer is a high and narrow one, she has a flat bottom, and many believe this will aid her in escaping destruction.

The boy's appetite is often the source of amusement. If you would have such an appetite take Chamberlain's Tablets. They not only create a healthy appetite, but strengthen the stomach and enable it to do its work naturally. For sale by all dealers.

This is Overcoat Time!

Winter is here and you still have that heavy Overcoat to buy.

What Color?

Browns in various shades are the strong leaders made up in convertible collar style, in heavy weight Scotch and Irish materials, with belted models very popular.

This cut is the season's newest model. It's the coat you've been looking for,—a coat that is built by real tailors and will hold its shape under severe usage.

There is nothing extreme about this coat. It is stylish and new and certain to appeal to the average man as being "just right."

We would like the opportunity of showing you how snugly we can protect you against the 'biting blast' of the wintry days to come. Underwear, Sweaters, Mufflers, Gloves, Overshoes, etc., in extensive ranges, are on our shelves, awaiting your commands. Our Phone No. is 122.

FIREARMS ARE DANGEROUS PLAY

Arthur Killam is Shot in the Hand by Companion by Accident

A number of young lads were playing at Wild West shows the other day at the back of town. One of them had by some means obtained possession of his older brother's revolver and was firing it in the air, to make the scene realistic. By some means however a companion, Arthur Killam was shot in the arm not so loudly and the fun stopped. It is reported that quite a number of young lads are carrying revolvers and they ought to be instructed that it is a most dangerous thing to have firearms for playthings.

NOT ALLOWED TO RAISE RATES

Order Issued in Regard to Carriage of Freight

Ottawa, Nov. 6.—Railroad carriage companies in Eastern Canada will not be allowed to raise their rates from 5 to 10 cents per ton on Nov. 18th as they intended. The Railway Commission yesterday afternoon ordered that the new schedule of tariffs be set aside until judgment has been passed upon them. The case will come up again for hearing on Dec. 17th.

THE DEMOCRATS DON'T WIN OFTEN

Cleveland And Wilson Only Two Since Civil War

The last time the Democrats won a presidential election in the United States was in November 1892, when Grover Cleveland defeated Benjamin Harrison very decisively.

This was Cleveland's second term in the chair, as he had been elected in 1884, defeating James G. Blaine.

Cleveland and Wilson are the only Democratic Presidents elected since the civil war.

It is somewhat remarkable that both Cleveland and Wilson were prominent in Princeton University before entering politics.

The three big colleges were represented in the contest on Tuesday last. Wilson, a Princeton man, Roosevelt, Harvard, and Taft, Yale.

From present appearances, Wilson's majority is the largest ever given a President.

THE SUFFRAGETTES THREATEN REPRISALS

Amendment to Provide Woman Suffrage in Home Rule Bill

London, Nov. 5.—The suffrage movement suffered a set-back in the House of Commons today when an amendment providing for woman suffrage which it was desired to include in the Home Rule Bill for Ireland was defeated by 314 against 141 votes. The suffragettes declare that they will retaliate by organizing out breaks in Ireland.

Electric Restorer for Men
Phosphonal restores every nerve in the body to its proper function, restores vim and vitality, restores decay and all sexual weakness averted at once. Phosphonal will make you a new man. Price \$1 a box, or two for \$2. Mailed to any address. The Phosphonal Drug Co., Ltd., London, England.
