OFFICIAL FRUIT BULLETIN

FRUIT BRAND-DEPT. OF AGRICULTURE Peaches and Plums are both so good this year that there is every inducement for the housewife to "put down" a liberal supply. The Canadian Clubs and Red Cross Societies are asking for contributions of canned or preserved fruit, jammed fruit, for our soldiers in France. People who wish to "do their bit" should communicate with the nearest Canadian Club or Red Cross branch. Much fruit is being put down without sugar, by sterilizing process. The best plums for the purpose are Bradshaws, Gages and Lombards, and for peaches the St. Johns, Crawfords and Elbertas. Orders placed in advance with your grocer means better fruit for you.

Her remains were brought to her home at Campbellton, accompanied by her sister, Gertrude McLean of North Conway and cousin Margaret Cantwell of Machias, Me. MARRIED IN THE WEST
The following paragraphs are taken from the Leth Bridge (Alta) Herald—
CARR-BUSSET
A pretty wedding was solemnized at the home of the bride's parents, Mr. and Mrs. J. Bisset, on Saturday afternoon in the presence of a few of the immediate friends, when Rose Mabel Bisset, was married to Mr. Robert Turnbull Carr. The Rev. A. H. Denoon officiated. Mr. J. L. Inkster supported the groom, while the sister of the bride was bridesmaid. The young couple are very popular in the city and the south country. Mr. Carr has for a number of years been connected with the Hudson's Bay staff. The bride also was at one time a member of the staff and lived at Taber for some time. Mr. and Mrs. Carr left for New Zealand, where Mr. Carr has taken an important post.

On the occasion of their marriage on Saturday evening, Mr. R. T. Carr and Miss Rose Bisset, both of the Hudson's Bay Co. stores, were presented by the staff with a steamer trunk and a handsome silver tea service.

CHALLENGE

I hereby challenge Mr. John Dickie to discuss Municipality affairs in any public place and at any time. I can say that Mr. Dickie did not try to keep down any expense to the county as he took his pay for the special session which I didn't. Mr. Dickie says that Councillors Firth, Montgomery, Peters and Arseneau stayed at a certain hotel. I acknowledge this to be true as I stated to the Warden the night before that I would not attend at the Council, as the Council could not sit on the ninth day as the law only allowed them eight days.
Sgd. MURDOCK E. FIRTH.

LETTER FROM SHORNCLIFFE
An interesting letter has been received by Mr. and Mrs. A. C. Roy from their son Lieut. J. A. Roy, V. O. with the 6th Mounted Rifles. He gave a splendid story of the voyage over and stated that they took over 450 horses and made a record by not losing one.
Lieut. Roy had been visiting in London and was struck with the sights of that great city. In his own words he says "it is some burg, and is a little larger than the Tobique and Seven Mile Ridge." Lieut. Roy is in good health and the troops are all in good spirits.
